

Chapter: 1147

When seeing these six figures, they all bowed in front of Lin Fan respectfully.

The whole hall fell into a strange silence again.

Everyone's eyes widened, their breathing was rapid, and they looked at Lin Fan where the old god was in horror.

At this moment, he was like a lofty king, facing the visits of these six great figures, he felt calmly.

This is impossible!

Everyone present is going crazy!

They just feel that their hearts are trembling like crazy, almost bursting!

I couldn't believe that the trash door-to-door son-in-law was able to make all the six big boss-level figures bow down.

Especially, the Dragon and Tiger God of War is the leader of the legion, the existence of the God of War, but now the respectful lady is in front of Lin Fan?

At the moment, the atmosphere is extremely weird, making people only feel that the scalp is numb.

“Wrong, you must be wrong!”

Huangfu Xuan screamed hysterically, as if he had seen a ghost.

“Impossible! This guy is obviously a trash, why are you kneeling to them?”

Sima Hongrui was also broken, and the Dragon Tiger God of War was an existence that even he had to look up to.

Now, he is kneeling in front of the trash he despised!

Huangfuzheng and Sima Longming's faces sank at the same time. It seems that these big figures were also blinded by this waste, and mistakenly thought that he was the King of the Blood Prison!

Otherwise, how could they bend their knees in front of a wasteful son-in-law?

what!

The faces of Longhu Ares and others suddenly sank, and a bloody light suddenly appeared in their eyes.

“Insult Mr. Lin, you guys...damn it!”

A murderous air like a surging wave, brazenly swept away!

All the people present felt tingling on their skin, as if they were cut by a knife.

Huangfuxuan and Sima Hongrui suddenly became tense, their bodies tensed, and they looked at the six big men in horror.

In my heart, the anxiety was extreme.

just!

At this moment, Huangfuzheng stepped forward and said with a sneer:

“Dragon Tiger God of War, this kid dared to pretend to be the King of Blood Prison and angered the mad god of Blood Prison. His dog ordered us to decide! I would advise Don't let yourself be fooled!”

What!

Everyone's expression changed. Is Huangfu Zheng crazy?

How dare to talk to these big guys like this?

It is simply blatantly provocative!

Even Huangfuxuan and Sima Hongrui couldn't help falling into a deep astonishment, wondering if they had heard it wrong.

“You, damn it!” The blood dragon uttered a long roar, and suddenly turned into a blood shadow, and his figure suddenly rushed out, with a palm facing Huangfuzheng's front door, angrily!

boom!

But the next moment, with a loud noise, the blood dragon's figure suddenly retreated.

He took a few steps back and barely stopped the decline.

A deep shock suddenly appeared on the face of the blood dragon, and he stared at Huangfuzheng behind him:

“It's you?”

Da Da Da.

At this moment, bursts of military boots hit the ground, outrageously sounded!

The three domineering figures walked out slowly under the horrified eyes of everyone.

At this time, after seeing the faces of the other three, everyone suddenly took a breath of air-conditioning, and their whole bodies were suddenly tight!

As you see, a scourge!

At this time, they all couldn't believe their eyes!

They finally knew why Huangfuzheng was so calm and composed, and even dared to provoke the Dragon Tiger God of War!

“Qinglan War God!”

“Feng Lie War God!”

“Monster War God!” The three war gods of China descended boldly!
