

Chapter: 1150

At the moment when he saw the opponent appear, Bai Yi's eyes suddenly went dark, and he fell straight back.

If it weren't for Zheng Honglian's sharp eyes, Bai Yi would definitely land on the back of his head and be seriously injured.

At this time, Bai Yi's face was full of despair.

That's it!

They are completely finished!

The blood prison mad god has arrived, and they have nowhere to escape.

And Zheng Honglian and Ye Wuya couldn't help but glance at each other, both of their faces were full of bitterness.

It seems that this time, they lost the bet.

The two Ye and Bai families were desperate at the moment they saw the mad god of blood prison, and they all sat on the ground with their faces like ashes, as if they had all confessed their lives.

The overall situation has been determined, and now their two families, Ye and Bai, will face the calamity of extinction!

And seeing this, Huangfu and Sima's big brothers had a smile of gloat on the faces.

If I knew this, why bother?

Dare to oppose the mad god of blood prison, now you Ye and Bai are bound to die!

And when Huangfuzheng and Huangfuxuan saw the appearance of the mad god of blood prison, their faces were full of ecstasy, and the color in their eyes was a little more vicious.

Especially Huangfuxuan, after seeing the blood prison madness coming, even with a grim expression:

"My lord madness, that guy who dared to pretend to be the dark emperor, is in this conference room. You must not be merciless. He, skin it cramps, and smash the corpse into thousands of pieces!"

He can't wait to let Lin Fan die!

The Blood Prison Mad God took a deep look at him:

"Huangfu's family, Sima's family, meritorious in capturing the enemy! I will personally report this to the Dark Emperor, and I will have many rewards!"

Wow!

Upon hearing this, the Huangfu family and the big men who followed them were ecstatic!

Those who are excited are going crazy!

And Huangfuzheng and Sima Longming almost fainted.

It was already a pie in the sky to think that he could get the appreciation of the mad god of blood hell.

But now the mad god of blood hell actually intends to say something for them in front of the dark emperor, so that they can be appreciated by the strongest man in the world.

In the future, I will not say that it is a Jiangnan, and they can walk sideways throughout China!

"It is our honor to be able to work for the Dark Emperor, I can't wait to take credit for it!" Huangfu Zheng said with a smile on his face.

"As for you..."

The fierce gaze of the blood prison mad god fell on Ye Wuya and Zheng Honglian.

The Bai Family and the Ye Family suddenly became extremely nervous, shaking all over, looking at the blood prison mad god with extreme horror.

At the moment, the mad god of blood prison snorted:

"After today, there will be no Yee and Bai families in Jiangnan!" In one sentence, these two families were driven into the bottomless abyss!

The people of the two families suddenly turned pale as paper, and at this moment they almost passed out in shock.

Despair, like a huge mountain pressing on the hearts of the two families, almost suffocated them.

Then, the Blood Prison Mad God no longer looked at the two families who had been completely desperate, and strode towards the conference room.

Seeing this, Huangfuxuan knew that Lin Fan would definitely die!

An wicked smile appeared on his face immediately, staring straight at Bai Yi:

"Hahaha, Bai Yi, Lord Mad God is here, your humiliated husband is dead! Now I give you a chance, as long as you are willing As my plaything, I can consider pleading with Lord Mad God and spare your life!"

"You dream!"

Bai Yi scolded abruptly, followed by two lines of tears, which slid down her cheeks:

"Lin Fan is born and I live, and when Lin Fan is dead, I die!"
