

Chapter: 1151

If Lin Fan is born, I will live, if Lin Fan is dead, I will die!

Hearing Bai Yi's decisive words, Huangfuxuan's eyes suddenly felt shame, and he scolded : "I don't know good and bad bitches. If you are looking for death, then I will fulfill you!"

"When your man dies, I will do it." I will send you to the brothel and let you enjoy the taste of being ridden by thousands of people!"

But Bai Yi didn't care about herself at all. She looked at the conference room with a pair of pretty eyes, looking worriedly in the direction of the conference room.

boom!

When the meeting rooms were pushed aside, a domineering atmosphere suddenly surged in!

After seeing the huge figure like a giant mountain, all the masters present suddenly changed their expressions.

And the Demon Slaughter God of War who was about to attack Lin Fan suddenly stopped at this moment, and a cruel smile appeared on his face:

"Boy, your creditor is here, and your death is imminent!"

and he saw the blood madness. The god was furious, and the dragon, tiger and war gods and the others suddenly had an ominous premonition.

If the blood prison mad god really made a move against Lin Fan, it would be the following crime, committing the death crime of the blood prison iron law!

"Where is that crap ?" The blood prison mad god snorted angrily, sounding like a bell, shaking the whole room humming.

"Brother Crazy God, the crap you are looking for is right there!" The Demon Tu and War God grinned and pointed to the boss chair that was facing away from them.

Ok?

The mad god of blood prison swept away, and when he saw Lin Fan, he was still unmoved, and his brows suddenly gathered a fierce madness:

"Little bastard, you dare to ignore me when you see me, don't you put me in your eyes? "

Upon seeing this, the three great war gods all grinned. This kid was indeed mad to be boundless. He didn't hurriedly kneel to beg for mercy when he saw the blood prison madness coming. Instead, he was arrogant and didn't look back from Dalian. He was almost looking for death!

But at this moment, Lin Fan spoke:

"You are right, I really didn't put you in my eyes!"

What!

As soon as this remark came out, the Three Great War Gods were in an uproar, with deep consternation in their eyes!

crazy!

This kid is absolutely crazy!

In the face of the mad god of blood prison, not only did he have no respect, but even provoke him, where did he have the confidence?

At this time, they couldn't help wondering, did Lin Fan want to die?

"Miscellaneous, I will smash your corpse into thousands of pieces, and then slaughter your family to death! This is what you will end up pretending to be the king of the blood prison !" The blood prison mad god was extremely angry and strode towards Lin Fan.

But at this moment, Dragon Tiger and War God and others were abruptly stopped in front of him, staring at the Blood Prison Mad God with solemn expression.

"You want to stop me?" The bloody mad god's face was gloomy, but he didn't put them in his eyes at all. With his strength, even if all the masters on the scene add up, they are not his opponents!

Someone insulted his faith and trampled on the gods in his heart!

So when he came to Jiangnan this time, the gods blocked and killed the gods, and the Buddha blocked the gods!

Even the former comrades-in-arms are the same... Kill without mercy!

"Brother Crazy God, you are misunderstood, this one in front of you is really our king!" The Blood Dragon said anxiously, and now he is blocked in front of the Crazy God of Blood Prison because he does not want the Crazy God of Blood Prison to be great. wrong.

It would be a capital crime to dare to attack the Dark Emperor!

"Brother, please stay calm, once you make a move, there is no turning back!" The blood tiger also looked nervous.

"Wang, hurry up and reveal your identity, otherwise Old Brother Crazy God will really attack you."

Bloody Buddha turned his head and shouted to Lin Fan.

Unexpectedly!

"Enough!" Mobile: The blood prison mad god roared in rage, and glanced at them with extreme disappointment:

"Now that's the matter, you still want to lie to me?"

"I saw the king in the U.S. yesterday, even more so. Seeing his mighty and majestic appearance of slaughtering the "temple" of the dark forces in the United States, how could he appear in China!" The blood prison mad god has already determined that this is a counterfeit in front of him, so his murderous aura suddenly skyrocketed!

"They said that you have betrayed the king. I didn't believe it, but now it seems to be true!" The bloody mad god's scarlet eyes, bursting with violent murderous intent:

"Dare to betray the bloody god, you...damn it! !"
