

# Chapter: 1157

“In addition, the Ye family and the Bai family, I think it’s good, they value love and righteousness, maybe Mad God can consider focusing on training!”

Lin Fan said intentionally or unintentionally.

Upon hearing this, Ye Wuya and Zheng Honglian were immediately filled with joy and looked at Lin Fan excitedly.

They knew that Lin Fan was the real King of the Blood Prison, and at this time they were deliberately promoting them.

The mad god of blood prison immediately understood and nodded:

“Ye and Bai are responsible for protecting my blood prison partners. From today onwards, they have risen to the top of my blood prison. They are protected by the blood prison. If you are enemies, it is with me. Enemy!”

Wow!

Everyone was shocked!

In the eyes of all Jiangnan gangsters present, there was a deep envy.

In other words, from now on, the Ye Family and the Bai Family will directly take orders from the Dark Emperor. Who dares to offend?

These two families have completely risen, and they will surely jump

from the giants in Jiangnan to become China’s leading family!

Those big brothers who betrayed the Ye and Bai families, at this time, they all regretted their intestines.

Because they all know that they have missed an opportunity to reach the peak of power, and now they may even lose their lives.

If these two families intend to retaliate against them, then they... will undoubtedly die!

After all, behind Zheng Honglian and Ye Wuya, there is now the most terrifying man in the world standing!

Ye Wuya and Zheng Honglian knelt down quickly, their faces filled with gratitude:

“Thank you Mad God! Thank you Mr. Lin!”

...

“Lin Fan, what is going on?”

And At this moment, Bai Yi quickly walked over, looking at Lin Fan in horror.

It seems that I still can’t believe that Lin Fan can resolve the crisis so easily.

And when she asked, she asked everyone’s questions. With a pair of ghostly eyes, they were all staring at Lin Fan.

They all want to know what is going on!

just!

Before Lin Fan could speak, the Blood Prison Mad God took the lead and said:

“The King of Blood Prison, the reason why he is willing to cooperate with Xin Bai is not because of Mr. Lin, but because of you, Miss Bai Yi!”

Because...because of me?

how can that be!

Bai Yi immediately lost her color, completely stunned!

Not only her, but everyone present was stunned!

After all, it was Lin Fan who was talking with the blood prison mad god in the conference room just now.

But now... the blood prison mad god said it was because of Bai Yi?

“The King of Blood Prison is very interested in the new Bai’s medical formula, so I plan to develop with Miss Bai Yi and become a partner!”

Everyone suddenly realized!

It turned out that this was the real reason why the King of Blood Prison was willing to let Lin Fan go. It was the mysterious daughter of the Xinbai clan who saved Lin Fan and the others.

This waste was really lucky, and his wife saved his life again!

To be able to marry such a good wife, this waste is simply an accumulation of virtue for the ancestors for eight lifetimes!

“In addition, my king also hopes that Ms. Bai Yi can become the spokesperson of our blood prison in China.” The blood prison mad god said with a smile.

Spokesperson?

The audience was so horrified that they couldn’t believe their ears.

Because they all know that if they become the spokesperson of the King of the Blood Prison, then Bai Yi will represent the King of the Blood Prison!

To dare to be an enemy is tantamount to insulting the King of the Blood Prison!

What a privilege this is, it is a godsend!

Upon hearing this, Bai Yiton felt that his legs were weak, and he was almost fainted. He waved his hand hurriedly:

“No way, how can I be the spokesperson of those legends?”

Become the spokesperson of those legends , It is the supreme authority in her hand to dominate the wheel of life and death. The power is too great, which makes her feel very scared.

“Miss Bai Yi, you should know the order of the King of Blood Prison, no one can violate.” The mad god of blood prison said with a smile.

Upon seeing this, Lin Fan also smiled and comforted:

“My wife, since this is the meaning of the king of the blood prison, then you should be obedient, so as not to offend the big people.”

When he heard this, Bai Yi’s face was instantly pale. Nodded hurriedly:

“Okay, I will do my best to not let the King of the Blood Prison down.” In an instant, everyone cast envy, jealousy and hatred at Bai Yi.

This woman can be favored by the King of the Blood Prison. It’s like flying on a branch to become a phoenix!

Puff!

Puff!

But at this time, one by one, the big guys knelt down one after another, and suddenly kowtow to Bai Yi:

“Congratulations, Miss Bai Yi, on the throne of the Jiangnan Communist Party!”
