

Chapter: 1160

what!

Lin Fan's words immediately made everyone present stunned.

Kick out the Dragon and Tiger Corps?

Downgrade by one star?

puff!

Hahaha!

There were bursts of laughter full of ridicule, and at this moment, the madness resounded!

Everyone seemed to have heard a big joke, and they were so happy that they couldn't stand up!

Zhu Yun was about to laugh, with a touch of contempt on his face, and pointed at Lin Fan and smiled:

"You said...you said you want to kick me out of the Dragon Tiger Legion? You want me to be demoted by one star? Hahaha, just Because of you rubbish?"

Everyone in the Bai family felt extremely embarrassed at this time, looking at Lin Fan with an idiot look.

What an idiot!

Zhu Yun enlisted in the army at the age of eighteen, with outstanding military merits, and now he is only in his 30s, but he is already a three-star warrior!

In the entire China, it is also rare in existence!

Otherwise, how could Dragon Tiger Corps admit him out of order?

Now he has played for the Dragon and Tiger Legion, besides the Dragon and Tiger God of War, who is eligible to kick him out of the Dragon and Tiger Legion?

This rubbish, unexpectedly said to be opened except for adding and downgrading?

It's idiotic to talk about dreams!

But Lin Fan didn't care about everyone's contempt, and still smiled at Zhu Yun:

"You don't believe it?"

"Enough!"

The old man Bai was immediately annoyed, and then glared at Baishan:

"Baishan, why don't you drive this embarrassing thing out? "

Baishan is also a look of embarrassment came up:" Xiaofan, do not talk nonsense! "

At this time, he also felt embarrassed, and let a Samsung warrior be fired and demoted?

This cowhide is a little big!

And see here!

Zhu Yun suddenly laughed and stared at Lin Fan and said, "Well, if you can get me expelled by the Dragon and Tiger Legion, I will not step into the Bai family again from now on!"

"But if you can't do it, then you will Divorce Bai Yi!" As soon as these words came out, everyone looked at Lin Fan with a sneer!

"Yes!"

Unexpectedly!

Lin Fan actually agreed instantly.

Wow!

Everyone was in an uproar, and each one's eyes were round.

This guy agreed so easily?

Can't wait to surrender his wife to others?

It seems that he knew that he could not recover, so he took this to find himself a step down!

Then, Lin Fan picked up his mobile phone and dialed the phone:

"Hey, is it the Military Law Reporting Office?" The Military Law Reporting Office?

Everyone was taken aback, and then roared with laughter!

This idiot thought that by calling the Military Law Reporting Office to report it, the Dragon and Tiger Corps could expel a three-star warrior?

It's only blame for others to take care of you!

And Zhu Yun shook his head contemptuously, thinking that Lin Fan would do something amazing, but he didn't expect it to be just a phone call to report.

He was so disappointed!

As everyone knows, Lin Fan just pretended to call the Military Law Reporting Office, but in fact... it was calling the Dragon and Tiger God of War!

"A three-star warrior named Zhu Yun tried to destroy my marriage. I suggest you fire him!"

After that, Lin Fan just hung up the phone.

that's all?

Everyone on the scene suddenly became disdainful, and the eyes that looked at Lin Fan became more and more contemptuous!

Even if you call to report, you just say a word.

In a word, want to expel a Samsung warrior?

What an idiot!

Immediately, all the members of the Bai family sneered.

"A trash door-to-door son-in-law said that he was going to expel the Samsung warrior. He was insane, right?"

"Isn't he? Zhu Yun was already a Samsung warrior in his thirties. He was young and promising, and he had a promising future. waste What kind of things, and who finds fault with the pair? " "

one phone call to dismiss Samsung war, you think you are the dragon god of war right? " "

think that way, you can avoid the fate of cuckold it? is simply ridiculous! "

white family The gaze is full of ridicule and irony!

In their eyes, Lin Fan today is a big joke!

just!

Jingle Bell!

A rush of cell phone ringtones rang from Zhu Yun's pocket!
