

# Chapter: 1163

Dare to threaten?

The old man Bai was furious, and immediately roared:

“If you weren’t going to leave Zhu Yun to vent your anger, you wouldn’t have escaped to death today, little bastard, dare you threaten me with your rubbish?”

” Go away !!!”

All the Bai family members Also roared in unison, let the Baiyi family get out!

“Xiao Fan , forget it.” Shen Yumei and Bai Shan also came up, took Lin Fan’s hand, and squeezed a smile at Lin Fan that was more ugly than crying.

Seeing this, Lin Fan’s face was pale, and he promised:

“Dad, Mom! Don’t worry, they will regret how proud they are today!”

Just!

What he said made everyone in the Bai family sneer, but he didn’t care about it at all.

Make them regret?

This kid really considers himself a forest seat?

Extremely ridiculous!

Shen Yumei and his wife also thought that Lin Fan was comforting them, and the bitterness in the corners of their mouths became more intense.

A family of four left the Bai family under the sarcasm and insult of everyone.

But as soon as he got in the car, Bai Yi looked at Lin Fan with a tired look:

“Husband, how do you know that Lin Zuo will definitely not accept Zhu Yun?”

Lin Fan suddenly looked embarrassed and couldn’t say he was Lin Fan, right?

That way, I’m afraid it will scare Silly Baiyi and others.

I can only explain with a smile:

“My wife, you are stupid. The dragons, tigers and war gods all know Lin Zuo. Today they are sick of Zhu Yun’s behavior and will definitely tell Lin Zuo.”

“How can Lin Zuo accept one? People with bad intentions?”

Bai Yi nodded, but still looked worried:

“I hope so!”

Otherwise, once Lin Zuo convicts him, their family will really be over!

.....

After returning from Jiangnan, Lin Fan refined several medicinal materials he had searched in Jiangnan into rejuvenating pills overnight, and ordered Mike to send it to Xun’er who was in the Yifan Chinese and Western Hospital early in the morning. .

Rejuvenating pill, as the name suggests, has the effects of detoxification and beauty, rejuvenating hands, and skin care.

There is only one person in the world who can refine it, and that is the Bone Sacred Hand!

And this pill has been sold at a sky-high price of one billion in the black market, but even so, it is still priceless.

Xun’er took this elixir, and it didn’t take long for the medicine to be cured.

just!

Not long after the Huichun Pill was sent out.

Lin Fan’s cell phone suddenly rang, and on the other end came the cry of the blind mother:

“Mr. Lin, your pill was robbed! Xun’er was framed as a drug thief, please save her!”

what!

Is there something wrong with Kaoru?

Immediately!

Lin Fan suddenly sat up from the bed, his eyes were already red!

Who dared to find death like this, and even grabbed my medicine!

Half an hour later, Lin Fan drove to the Yifan Chinese and Western Hospital and went straight to the Xun’er ward!

At the same time, he ordered Mike to appear in front of him within half an hour.

Otherwise, he can go to death!

But when he arrived at the door of the ward, Lin Fan suddenly heard a cry and pleading inside!

He pushed the door abruptly, as if he could clearly see what was inside.

In an instant, those eyes were completely bloodshot, and endless fury spurted out instantly!

“Little bitch, dare to steal my Yanzishan things, I think you are impatient?”

A young man with a fierce face, holding Xun’er’s whip in his hand, yelled at him .

At this time, Xun’er had red and swollen cheeks, and there was a bright red palm print on it!

But even so, she still stubbornly cried:

“Xun’er didn’t steal it! Big brother gave me the pill!”

“Fart!”

Yan Zishan suddenly scolded, a greedy smile suddenly appeared on her face:

“This rejuvenation pill, ” Obviously mine! A poor ghost like you can’t even afford medical expenses, how could it have such an extraordinary pill?”

“You must have stolen it!” As soon as the rejuvenation pill is opened, the whole corridor is filled with the smell of medicine. , Directly attracted the attention of Yanzishan.

He could tell at a glance that this was a rejuvenation pill that he had seen on the black market and sold for a sky-high price of one billion.

When even the heart is greedy, and then planted Xun’er to steal, intending to take this rejuvenation pill as his own.

“I didn’t...I didn’t...”

Xun’er cried bitterly. Lin Fan was clearly treating her with the rejuvenation Dan.

Unexpectedly, after being seen by Yanzishan, she insisted that she had stolen the rejuvenation pills, and in the public, they wanted to beat her into a trick.

“Dare to quibble?”

Yan Zishan’s face was cold, and he said harshly:

“You poor ghost, our hospital kindly took you in. You don’t know how to be grateful, but you dare to steal my things. It’s just a death!”

As he said, he slapped Xun’er’s cheek again and slapped it down!

Immediately, Kaoru closed her eyes in fright, waiting for the rough slap to fall on her face again!

Jiao body, trembling suddenly.

I feel wronged to the extreme!

but!

After waiting for a while, the expected pain did not occur, and Kaoru opened her eyes in confusion.

Then, what came into view was the beautiful face that was dreaming of dreams!

Immediately, she made a small mouth again, her eyes filled with grievances and tears, and she shouted with great sadness:

“Big brother~”

“Who are you, dare to ruin my good deeds?”

Yanzishan saw someone dared to catch her. The hand was taken aback for a moment.

After seeing the other party’s dress clearly, his face was ridiculed, and there was another dead ghost in his heart.

Lin Fan’s eyes were already blood red, and his low voice was like a beast roaring:

“I think it’s not her who is looking for death, it’s you!”
