

Chapter: 1185

See it!

Everyone was stunned at once, what's going on?

What did the Blood Dragon God of War say to Zhu Yun that he vomited blood and passed out?

At this time, Bai Yi was also pale, with a deep horror on his face.

Lin Zuo came to congratulate them?

how can that be!

They don't even know any Lin Zuo!

Moreover, isn't the Dragon Tiger God of War a subordinate of the King of the Blood Prison?

Immediately, she lowered her voice and asked Lin Fan, "Lin Fan, is this related to you?"

Intuition told her that all of this was Lin Fan's work.

Lin Fan smiled slightly and responded in a low voice: "Don't say anything, they are cooperating with us in acting!" Mobile phone:

Acting?

Bai Yi was shocked immediately, almost crying:

"You mean pretending to be Lin Zuo? If you let Lin Zuo know this, it would be a death penalty!" But Lin Fan still curled his lips nonchalantly:

"Now that we have the King of Blood Prison backed up, are we afraid that he will be a small forest seat?"

"You...oh!"

Bai Yi didn't know what to say, but his face was full of worry.

After all, they are the servants of the King of Blood Prison. Will he really offend the forest seat in China for them?

.....

And this time!

The Dragon Tiger and the God of War suddenly stared at Yanzishan and Lin Guangyao:

"Dare to insult Mr. Lin and Miss Bai Yi, you guys...damn it!"

Teng Teng murderous, wanton expansion!

Behind the two Gods of War, dozens of black muzzles were pressed, but they had already turned their directions and pointed them directly at them!

Lin Guangyao was frightened and screamed:

"What do you want to do? I can tell you, I am the spokesperson of the King of the Blood Prison. If you dare to kill me, the King of the Blood Prison will definitely smash you. Duan!"

As everyone knows, Dragon Tiger God of War belongs to the King of Blood Prison!

Therefore, upon hearing this, the dragons and tigers and the gods of war all sneered with contempt, pressing on step by step.

This scene directly caused everyone present to be devastated!

Dragon Tiger, God of War, intends to kill the King of Blood Prison and the spokesperson of the Nalan family here?

This... is crazy!

They, how can they be so bold!

The Yanzi Mountain on the side was even more violent, and roared angrily:

"Dragon Tiger, God of War, don't forget who has provided military expenses to your army over the years, and don't forget the influence of my Nalan family in the army!"

"You Dare to kill me for these two dog men and women? Believe it or not that the Nalan family killed all of you! "

Just!

Dragon Tiger God of War, still disdain:

"Nalan family, count as a fart!"

What!

Everyone present was completely dumbfounded!

Dragon Tiger and God of War dare to say that the Nalan family, who is a royal noble, is a fart?

This is crazy!

"Dragon Tiger God of War, even my Nalan family is not in your eyes! Do you think of yourself as a forest seat?"

At this moment!

A roar suddenly sounded from outside the door!

then!

Everyone shuddered together, looking towards the center of the field in horror!

But I found there, I don't know when a dozen people stood there, appearing out of thin air like ghosts!

This scene directly caused everyone present to blow up their hair!

Are these people humans or ghosts, and they appeared silently?

"Ten...a dozen grandmasters !" A Jiangshi boss trembled suddenly, and a deep fear appeared on his face!

And as soon as these words came out, everyone present was horrified to death!

In an instant, a dozen masters were dispatched?

With such a background, only the royal nobles... the Nalan family!

Immediately!

All of them had weak legs and smashed cold sweat, continuously flowing from their foreheads, crazily!

Is the family of that rich and enemy country really coming?

Now!

Everyone was crawling on the ground, trembling uncontrollably and violently. The fear was ten times stronger than when facing the Dragon and Tiger God of War!

Just because this is a "terrible" royal family that has a thousand years of history and once dominated the rise and fall of the country!

The virtuous and talented people come out in large numbers, and the honors are brilliant. Now they are in charge of the economy and the world is rich. Together with the Langya Wang family, the Qinghe Cui family, and the Longhushan Xiangguofu, they are collectively referred to as the four great Chinese!

Its influence is far-reaching, and all of the land of Kyushu, military, political, and business all have their shadows!

Such a powerful person can dominate the life and death of Jiang City with his mouth!

Terrifying!

But at this moment, Yanzishan suddenly became ecstatic, knelt down in front of a gray-haired old man, and shouted with excitement:

"See the great elder!"
