

Chapter: 1194

The next day.

Lin Fan and Bai Yi went to the Xinbai clan together, intending to discuss comprehensive cooperation with the Nalan family.

It turned out that all the employees stood at the door, their faces full of worries.

And a group of porters are throwing out their new Bai's things one after another.

Huh!

In an instant, Bai Yi's face became extremely ugly:

“What's the matter? I'm still wandering outside during work hours!”

Lin Fan, who was on the side, had a chill in his eyes:

“It seems that they have already begun to take action.!”

What!

Bai Yi was taken aback, and then immediately understood who Lin Fan was talking about “they”, even when he pushed the car door aggressively and walked down.

“Who allows you to carry our company's property at will, you are theft! I can call the police to catch you!”

Only, at this moment!

“I meant it, is there a problem?” A contemptuous sound was heard, and then a man, sitting in a wheelchair, was pushed out.

“Swallow Mountain!”

Lin Fan and Bai Yi's expressions changed.

It seemed that he had never thought that this guy was taught by them not long ago, and now he dares to do evil.

Seeing the two, Yanzishan seemed to have seen two dead people, and laughed wildly:

“Lin Fan, you are really looking for death. Even the king of the blood prison dare to impersonate, now your will is ready. Is it?”

Because of Lin Fan, he was interrupted with both legs, so he wanted to smash Lin Fan into pieces.

So when he learned that Lin Fan dared to pretend to be the King of the Blood Prison, he knew that his chance of revenge was coming.

And hear this!

All the employees of the Xinbai clan cast a resentful look at Lin Fan in an instant. Obviously they all know that the Xinbai clan is facing such a situation nowadays because of this broom star!

The president marries this kind of trash, it really has been bloody for eight lifetimes!

But Bai Yi's face suddenly became ugly to the extreme:

“This is my company. Why do you point fingers?”

Your company?

At the corner of Yanzishan's mouth, there was a strong disdain and mockery:

“From today, this company is mine!”

“The Nalan family has cancelled their cooperation with you after they knew what Lin Fan's idiot had done. I used some methods to successfully embezzle you, the little new Baishi! ”

What!”

Bai Yi looked at each other in disbelief:

“This...this is impossible! How can it be done by yourself!”

Just!

Yanzishan's eyes were full of ridicule:

“Who told you, I am the only one?” The voice just fell!

Da Da Da...

A group of people from the Bai family swaggered out under the leadership of Mr. Bai.

On his face, the insidious tricks that succeeded appeared!

“Grandpa, you!”

Bai Yi's pretty face was completely pale, and he couldn't believe his eyes.

My grandfather, combined with outsiders, to embezzle her property?

“Yes, it's me!”

The old man snorted coldly, without any guilt on his face:

“Bai Yi, if you are to blame, blame you for not knowing good or bad. I have given you a chance. Since you don't know how to cherish, then no one can blame Grandpa I am...”

Immediately!

Bai Yi's delicate body was faltering and fell backwards.

It is hard to imagine how huge the blow to her was in this scene before her. Everywhere in her body, she was trembling madly.

Lin Fan quickly embraced her in his arms, watching his beloved woman's pretty face pale, and she was so sad that she breathed like suffocation.

Lin Fan's heart suddenly became a ball!

In the next instant, his eyes were completely bloodshot!

Endless fury, completely gushing out!

It looks like a terrifying beast, roaring wildly inside!

“I assure you that your Bai family will be in catastrophe and your family will be destroyed!”
