

Chapter: 1197

what!

Sima Yan'er's expression changed drastically, and she couldn't even dream that this so-called king of blood prison turned out to be a shameless person.

It was the first time he met with him, and he planned to insult himself. The man who claimed to be the strongest man in the world was so disgusting and disgusting!

The information she received must be wrong, that man could not be the king of the blood prison, could not be such a shameless scum.

"Little lady, are you going to take it off by yourself? Or am I taking it off for you?" The fake adulteress walked up with a smile, gearing up, and can't wait to explore the scenery of Sima Yan'er's skirt.

The obscene expression made Sima Yan'er nauseous!

Seeing the other side pressing harder, Sima Yan'er's face also showed a deep horror, and her pretty face was directly pale.

Shouldn't have come!

I shouldn't have come by myself!

At this time, Lin Fan suddenly appeared in her mind for some reason.

She obviously hates the man who has robbed her of her virginity for more than 20 years, but at the most desperate and painful time in her life, it was him that came to her mind!

impossible!

That guy, so annoying, how can I miss him?

With a bad mouth, people are still rogues, and they often bully themselves. It is impossible for me to miss him.

But thinking of this, she was already crying horribly.

Thousands of thoughts converged into a shout hoarse:

"Lin Fan, save me!"

Bang!

As soon as the voice fell, the door of the Bai family was suddenly kicked open!

Ok?

The loud noise shocked everyone present, and their eyes gathered in the direction of the door.

Sima Yan'er at this moment also looked towards the door.

And when she saw the nasty bastard at the door, her tears flowed more uncontrollably.

Lin Fan!

The moment he saw Lin Fan, Lin Guangyao's eyes suddenly showed resentment anger, and he wished to smash his corpse into thousands of pieces!

That day, if he hadn't ran fast, I'm afraid he would end up like Yanzishan, so he was always worried.

But now it's different, his backer has come, and there is no way for this waste to survive!

Immediately!

He smiled insidiously, turned his head and said to the counterfeit:

"Wang, this guy is the rubbish Lin Fan! And the woman beside him, his wife Bai Yi, is not very punctual? You are feasting your eyes tonight!

"The counterfeit looked sideways, and when he saw Bai Yi, he suddenly missed a beat!

She is another peerless beauty!

A hundred times more beautiful than the women he had played with before!

Then, he licked his tongue wretchedly, staring at Bai Yi with scorching eyes:

"Well, well, this king is going to have a dragon and two phoenixes tonight!"

"Lin Fan, run away! Leave us alone !!"

Bai Shan and Shen Yumei both cried hoarsely.

Just when they saw their wounds, kneeling on the ground, with a dog chain tied to their necks in shame...

Lin Fan's eyes were completely bloodshot!

Endless killing intent, crazy emerges at this time!

At this time, Old Bai suddenly reprimanded Lin Fan with a stern face:

"You two sinners, don't you kneel down when you see the King of Blood Prison?"

Lin Fan suddenly raised his head, his cold and deep evil gaze, dead. Staring at the counterfeit stubbornly.

It turned out that it was this counterfeit who pretended to be himself, and even abused his father-in-law and his mother-in-law wantonly!

Then, the counterfeit looked cold, and looked at Lin Fan condescendingly:

"You, are you the one who dares to pretend to be me?"

Am I pretending to be you?

Lin Fan wanted to laugh inexplicably. It seemed that this guy was too deeply into the play, and he really regarded himself as the king of the blood prison.

And upon hearing this, everyone in the Bai family shuddered, and the old man directly knelt down and said in fear:

"The King of the Blood Prison, it is this gangster who has impersonated you, but this has nothing to do with our Bai family. , I beg the King of the Blood Prison not to anger my Bai Family!"

"Yes, yes, this is all this trash doing his own death. Our Bai Family has no knowledge at all. Please kill the King of the Blood Prison if you want to kill him!"

"We The Bai family personally escorted these two sinners to plead with the King of the Blood Prison, and begged the King of the Blood Prison to forgive my Bai Family!"

All the Bai family members knelt down at this moment, their faces covered with deep terror.

Because they all know how terrible the King of Blood Prison is.

Just one sentence is enough to make their Bai family disappear from this world!

"Yes!"

Upon hearing this, the counterfeit suddenly laughed, and then stared at Bai Yi:

"As long as she stays with me all night!"
