

Chapter: 1205

“Yes, Bai Yi, we are a family!” The mobile phone terminal:

“We know that we were wrong, don’t kill us! We will return all the property to you. In the future, the Bai family will still serve you as the master. Whatever you say, we will Your horse is looking forward.”

They are almost scared to pee, their faces can’t hide the panic, they are afraid that they will end up like Yanzishan.

After all, they are Bai Yi’s relatives, but what they did was ten times worse than Yanzishan and theirs!

“Serve us as the Lord? Do you have the qualifications?”

Lin Fan sneered, his eyes full of contempt.

Heard this!

The remorse in the hearts of the Bai family, headed by Mr. Bai, is extremely strong.

It is in response to the buzzword: Once I was, you loved to answer the question; now I, you can’t afford it!

Bai Yi’s current status is already the ruler of Jiangnan Province, and their Bai family is now unworthy of giving her shoes.

This great opportunity was stupidly abandoned by them.

But now, when the opportunity is not to be missed, they will not have such an opportunity again.

“Lin Fan, forget it!”

Bai Yi said lightly, no longer wanting to say anything, she was completely disappointed with her so-called family members.

But after all, it was her family, she couldn’t be like them!

Lin Fan had already had a murderous intention, but when he heard this, he could only sigh and cast a look at the blood prison mad god. then!

The blood prison mad god understood what Lin Fan meant.

Even though his face sank, he roared to everyone in the Bai family :

“The Bai family, humiliate my blood prison spokesperson, and swallow the blood prison and the new Bai family’s cooperation project. It should be a death penalty. !”

“But since Miss Bai Yi intercedes for you, the death penalty is unavoidable, and the living sin cannot escape!”

“From today! Jiangshi Bai family, no politics! No business! No army! No education!”

“The next generations will be reduced to society. At the lowest level, you can only make money by labor. If you dare to defy, you will kill you without mercy!”

Boom!

Upon hearing this, the entire Bai family suddenly fainted!

Become the bottom of society!

Doesn’t this allow them to live by part-time jobs?

This is simply a slave!

This is nothing short of a nightmare for these pampered masters on weekdays!

The faces of all the Bai family members were covered with ashes, one by one weeping in pain, falling into endless despair.

The mad god of blood hell is driving them to death!

But at this time, no one dared to ask for mercy and could only swallow the broken tooth in his stomach.

They all know that this is retribution!

Retribution for attempting to embezzle Baiyi’s property!

In the end, they didn’t steal the rice, and Bai Yi didn’t get the property.

Instead, they hurt them, and they could only be slaves for generations.

But at this time, Lin Fan didn’t care about their feelings at all, and then looked at Lin Guangyao, who was already ashamed,

“You should know, this time, I won’t let you go!”

Hearing this!

Lin Guangyao’s face suddenly showed strong bitterness.

He also knew that Lin Fan would not let him go, so he didn’t take his own humiliation to kneel down and beg for mercy. Now no matter what he says or do, there is only one end for him... that is death!

“Lin Fan, I lost! I never thought in my life that I would lose to the door-to-door son-in-law I despised.”

Lin Guangyao’s face was as gray as death , and his expression was desperate: “Before I die , I There is only one request, and that is to hope you will let me die faster!”

“Although I met you, I should take care of your last wish, but...” Lin Fan’s eyes suddenly flashed with a thick murderous intent:

“You It should not be for nothing, and Bai Yi should also be involved!”

Lin Fan can forgive him when he shoots.

Lin Fan couldn’t forgive him when he shot his woman!

Then, a cold and merciless voice rang out:

“So your request, I refuse!”
