

Chapter: 1214

Wow!

Everyone was stunned for a moment, and they didn't seem to expect that Lin Fan would have agreed so quickly.

At the moment, their faces are full of contempt.

What a fool!

After being robbed of 300 million, he didn't dare to show dissatisfaction at all.

From this point, we can see that the couple in front of us is absolutely impossible to be the Jiangnan Communist, otherwise how could they be so wasteful?

“Take it to waste!”

Wen Qian grabbed those contracts, and a deep ecstasy appeared on her face.

This is three hundred million, but it fell into her hands?

In her life, I'm afraid she won't be able to make so much money!

Moment, her eyes peering at Lin Fan is the couple emerged out of intense greed, said continued large openings lion:

“not enough you must then come up with three one hundred million years, before they can leave!”

This At that time, she seemed to have eaten Lin Fan!

If you want to survive, you have to spend money!

“You!”

Bai Yi was suddenly annoyed, and she wanted to scold Wen Qian.

The other party is clearly using them as cash machines!

But before Bai Yi had an attack, Lin Fan took the lead and stared at Wen Qian with a look of the dead:

“Wen Qian, you can think about it. My things are not that way. Easy to take!”

What!

Everyone's expressions changed suddenly, this guy dared to threaten Wen Qian?

Lin Fan's words were so arrogant, as if Wen Qian would be ruined if he took his things.

It made everyone present sneer!

At the moment, everyone present looked at Lin Fan with idiotic eyes.

“Hahaha...”

Lee Sang Hyuk burst into laughter suddenly, as if he heard a big joke, his face was full of disdain:

“Dead trash, do you dare to threaten my woman? What a big tone! Take it! What's wrong with you six billion? As long as I want it, Lee Sang Hyuk, you have to give it! Because in my eyes, you are ants, you have to give money if you want to live!”

“But now, I changed my mind, six billion. Not enough, I want one billion!”

Boom!

The audience was shocked!

Then everyone looked at Lin Fan's eyes, and they became more and more contemptuous and disdainful.

What do you say you pretend to be?

Now that I have offended Shao Li, I have to give an extra 400 million in vain. What a pig's brain!

At this time, Wen Qian also nodded again and again, her eyes were full of greed, and she salivated:

“Yes, one billion must be given! After the work is over, you have to kowtow to me and apologize, otherwise you will die here. Come!”

At this time, she was already lustful, and at all costs, she would squeeze everything from Lin Fan's body.

Anyway, these two wastes dare not resist!

The opponent's repeated pressing also completely exhausted Lin Fan's patience.

Now!

He shook his head and raised a weird smile at the corner of his mouth:

“Then what if I say no?”

Huh?

Everyone was taken aback, and then one by one they shook their heads one after another. The eyes that looked at Lin Fan were as if they were looking at a dead person.

Full of contempt and sarcasm!

This is the end of the matter, whether to give or not to give is no longer something Lin Fan can decide.

If you don't give it, you will die!

“Is this idiot in his head? How dare you not listen to what Li Shao said? I really want to die?”

“Yes, it's really stupid. He can't imagine how terrifying the power of the Li Family in Jiangbei is!”

Everyone is jokes. Lin Fan stared at him, as if he was already dead.

“Since you are looking for death, then I will fulfill you!” In Li Sang Hyuk's eyes, a cruel touch suddenly appeared:

” Just kill!”

But!

At the moment when his voice fell.

“Try to move him!”
