

# Chapter: 1216

When she heard this, Shu Lan's legs trembled wildly and uncontrollably.

He actually offended the overlord of the entire Jiangnan Province?

boom!

Thinking of this, she seemed to be almost limp on the ground, her face instantly pale as paper, as if she had seen a ghost.

especially!

When she thought of not only driving away Lin Fan, but also wanting to kill them alive, she was shocked and almost fainted.

Lee Sang Hyuk who heard this was also petrified on the spot!

There was a thick color of horror in his eyes!

Especially, he also saw that among the big brothers, there was actually one person, even their Li family's Ke Qing.

At this time, he betrayed their Li family without hesitation, and kneeled in front of Bai Yi instead. This was an illusion!

at this time!

The most unacceptable is Wen Qian.

Half a year ago, these two people were just rubbish. After only half a year, how could they stand at the pinnacle of power?

This... must be fake!

Now!

She was hysterical and yelled frantically at those big guys:

"Fake! They can never be the Jiangnan Communist! You all let them cheat!"

Huh?

In an instant, those big guys cast fierce gazes one after another, staring at her stubbornly.

A mocking smile appeared at the corners of his mouth.

This woman is really an idiot to the extreme, and she still hasn't repented until now. What a damn!

And Lin Fan stared at him coldly, and said murderously:

"Since they plan to maimed us, then you don't have to keep your hands!"

Boom!

The bodyguards of those big brothers, with all bad intentions, walked towards them.

See it!

Shu Lan and Wen Qian's group suddenly felt a cold current, rushing to the sky!

That face is covered with a thick color of horror!

They never dreamed that the situation would be reversed in this way, and the other party would turn them around and crippled them?

Mobile phone:

"My dear, what shall we do?"

Wen Qian panicked immediately, grabbing Li Sang Hyuk's hand with a deep panic on her face.

At this time, Lee Sang-hyuk was also nervous, and then shouted:

"What do you want to do? I am the young master of the Li family in Jiangbei, Lee Sang-hyuk. If you dare to move me, the Li family must make you die!"

Just!

The big guys sneered.

"The Li family? Offended the Jiangnan Communist Party, not to mention you, even if the Jiangbei Communist Party's Xiao family came...you must die!"

What!

Upon hearing this, Wenqing and Lee Sang Hyuk suddenly sweated like rain, and their heart pounded wildly.

crazy!

These people are completely crazy!

For the sake of two counterfeit goods, even at the expense of the entire Li family?

Da da da!

The footsteps of those bodyguards fell on their hearts, like the sound of hell.

They were terrified to the extreme!

just!

boom!

A tidy engine roar, but it sounded from another street corner.

One after another millions of luxury cars, drive in!

Stop quickly at the door of Rolls Royce!

Wow!

In the next instant, inside the car was a group of men in black with straight suits. There were a total of 20 or 30 people, all of whom were extremely luxurious and exuberant!

And seeing the headed middle-aged, Shu Lan and other Mercedes-Benz employees' faces were filled with ecstasy one after another!

"That is the person in charge of our Mercedes-Benz Jiangnan area, Hua Tiancheng!"

"We have a rescue!" At the moment, they seemed to have grasped the life-saving straw and waved frantically at Hua Tiancheng.

"President Hua, please help us!"

"President Hua, there are people here pretending to be the Jiangnan Communist Party and want to cripple us!"

At this time, Shu Lan also changed her previous decline and looked triumphantly. Lin Fan two people, there is a sense of resentment in their eyes:

"Dog stuff, dare to pretend to be the Jiangnan Communist? The chief of our Jiangnan Province is here!"

"You, you are dead!"
