

Chapter: 1217

And this time!

Wen Qian also laughed presumptuously:

“Bai Yi, you guys and dogs, you are really lucky! Unexpectedly, the head of Mercedes-Benz in Jiangnan is here, and the old man is a high-level in the province. Wait for your death. ”

Want to beat us to death? I will see who will die first!”

“This is God’s eye opening, we have to clean up this pair of dog men and women!” Lee Sang Hyuk also smiled triumphantly, his eyes full of brutality.

It can already be expected that Lin Fan and Bai Yi will end badly!

As for the big guys present, seeing the arrival of Hua Tiancheng, they were also extremely nervous!

This man, with a wealthy waist and a powerful old man standing behind him, is a hegemon in Jiangnan Province!

Status, second only to the four giants!

It is definitely not something they can resist!

Hua Tiancheng’s hair is gray, and his eyes are as sharp as a falcon, revealing a kind of extreme majesty, which makes it impossible to look directly at him.

At this time, his face was gloomy, and he strode towards this side, aggressively.

Now!

Shu Lan was extremely flattering and greeted him, fanning the flames:

“Mr. Hua, you can be regarded as coming. These two dog men and women dared to make trouble in our 4s shop, and even dashed against Li Shao. Let’s dissuade him. Who Knowing that not only did they not listen to persuasion, but also planned to kill us, you can’t spare them lightly!”

Reverse black and white!

Shu Lan has been completely blinded by jealousy!

The loss of a large amount of commissions made her resent Lin Fan and Bai Yi, and now she intends to put them to death.

Seeing that Hua Tiancheng arrived, Lee Sang Hyuk also put on a high-profile appearance, and commanded Hua Tiancheng triumphantly:

“Hua Tiancheng, you help me kill these two dog men and women, my Jiangbei Li family remembers your kindness!”

Just!

At this moment, the horrifying scene suddenly happened before everyone’s eyes.

Puff!

Hua Tiancheng, the general manager of Mercedes-Benz Jiangnan, led the entire Mercedes-Benz Jiangnan executives at this moment, and knelt down towards Lin Fan and Bai Yi!

At the moment of seeing this scene, the grinning smiles on the faces of Wen Qian, Li Sang Hyuk, Shu Lan and others were completely frozen!

That’s it again!

It turned out to be like this again!

It seems that after seeing Lin Fan and his wife, all the big people have to bow to their knees. This is simply incredible!

They couldn’t understand at all, what qualifications did the big guys in Dejiang City, even Hua Tiancheng, bend their knees with these two kinds of waste?

Could it be that they are really Jiangnan Communists?

Reminiscent of this terrible possibility, everyone present was panic-stricken, and only felt that they had caused a catastrophic disaster, that their death period was approaching, and they were in extreme panic.

then!

The next words of Hua Tiancheng made them completely desperate!

I saw Hua Tiancheng kneeling respectfully, with a deep fear on his face, and begged Bai Yi:

“Please Miss Bai Yi, please forgive me!”

Behind him, a group of high-level officials all kowtow and shouted in unison:

” Miss Bai Yi, please forgive me.” !”

Boom!

Hearing this, Wen Qian and the others only felt that their scalp was numb and almost scared to death on the spot.

crazy!

This world must be crazy!

A super boss like Hua Tiancheng actually knelt down in front of Bai Yi pitifully, begging her for forgiveness?

The impact of this scene is so huge that it makes them almost crazy!

At this time, the most shocking was Wen Qian.

Puff!

She suddenly slumped down on the ground, her entire face was instantly ashen, full of despair and panic.

That’s it! It’s all over!

These bigwigs may admit the wrong person, but how could Hua Tiancheng’s existence admit the mistake?

What Lin Fan said is true, Bai Yi... is really a Jiangnan Communist!
