

# Chapter: 1220

Sell a house?

Shu Lan was immediately stunned. Today, their 4s store lost profits, which would have to be millions, to say nothing. Even if she really sold her own house, she couldn't afford it.

"Mr. Hua, you give me another chance, I didn't mean it! I really don't have that much money!"

Shu Lan cried and kowtow to Hua Tiancheng frantically, at this time the regret was extreme.

”

Fuck !” Hua Tiancheng directly kicked Shu Lan roughly and kicked Shu Lan away fiercely.

Because of this indifferent guy, his group has only spent half a day in today, and the stock has lost hundreds of millions of dollars.

How could he let this culprit go?

Seeing this, Shu Lan was like a bolt from the blue, and she was completely desperate.

She knew that with Hua Tiancheng's background, if she didn't agree, she would definitely not end well.

Expelled!

Compensation for selling a house!

Her ten years of hard work have completely vanished, and even her husband may divorce her after knowing this, and her life is completely over.

Not only her!

All Mercedes-Benz employees present were pale and trembling, and their hearts were extremely uneasy.

"All employees of 4s shop, fired! Salary this month, deduction!"

Finally!

When Hua Tianyu's voice fell, everyone in the 4s shop was full of bitterness.

But no one dared to refute, because they all knew that this was a punishment for them.

Dare to offend the punishment of the Jiangnan Communist!

If they didn't end up at the same scene as Lee Sang Hyuk and Shu Lan, they were already laughing, where would they dare to say a word?

"Mr. Lin, Miss Bai Yi, what should I do with this woman?"

Hua Tiancheng then looked at Wen Qian, with a hint of chill in his eyes.

Wen Qian suddenly became tight, and even when she knelt down for Lin Fan and two of them, she put on a look of remorse:

"Bai Yi, don't hurt me, I am your good girlfriend!"

"I... I know it's wrong, I damn it! I'll kowtow to you! You treat me as a fart and let me go!"

Wen Qian kept kowtow, tears raining, she looked terrified of horror.

After all, Bai Yi couldn't be cruel, but sighed:

"You go."

"Okay, I'll get out of here!"

Upon hearing this, Wen Qian was overjoyed and nodded again and again, helping Li Xianghyuk. Frightened and left.

"Mr. Lin, Miss Bai Yi, shall I send you back?"

Hua Tiancheng smiled suddenly and gestured to Lin Fan and Lin Fan.

just!

Lin Fan glanced at him coldly:

"No need!"

Then, he didn't even want to talk more, and helped Bai Yi into his new car.

See it!

Hua Tiancheng's expression was completely stiff!

A deep embarrassment appeared on his face.

Then, he realized something, and stared at Shu Lan with extremely resentment:

"It was you bitch who caused me to miss the opportunity to associate with the Jiangnan Communist Party. Come here! Give me a hard hit!"

.....

At this time, Wen Qian assisted the crumbling Li Sang Hyuk to leave.

At this time, Lee Sang Hyuk's face was as pale as paper, but his eyes were full of resentment!

"I won't let them go, I won't let go of that pair of dogs and men!"

What!

Wen Qian was completely stunned!

It seemed that I couldn't believe it. At this time, Lee Sang Hyuk still dared to think of revenge.

There was a bitter smile on her face, but she was also unwilling to say :

"But that bitch, now is the Jiangnan Communist, we are afraid we can't deal with her anymore."

Jiangnan Communist?

just!

Li Sang-hyuk's face was full of disdain:

"It's just a woman who has run out of shit. In terms of foundation and strength, how can it be compared with the Xiao family with a long history of four hundred years?"

Now!

Wen Qian was shocked, and there was a thick and unbelievable expression on her face: "You mean that the Xiao family intends to attack Bai Yi?"

Li Xianghe laughed and said,

"The Xiao family has already looked at Jiangnan, and wants to use it. Embezzle everything !" "The young master of the Xiao family, Xiao Tingjun, will be airborne to Jiangnan in a few days. On the face of it, he intends to cooperate with the Jiangnan Communist Party, but in fact he intends to imprison him in order to control the entire Jiangnan!"

"That Bai Yi, She's still a woman, and she looks pretty good. Would you miss the hungry ghost in Xiao Tingjun's class?"

Hahaha!

In an instant, Wen Qian burst into laughter, and a deep joy appeared on her face:

"It turns out that that bitch is just a short-lived emperor! When Xiao Tingjun arrives, she will become a plaything!"

"And Lin Fan, this trash, can only watch, that green hat is buttoned on his head, hahaha!"
