

# Chapter: 1233

What!

Hearing this, everyone was stunned, and then all burst into laughter.

“When things are up, I still want to pretend to be compared? It’s just looking for death!”

“This idiot, does he know what kind of existence he is facing?”

“Dare to speak so loudly in front of Old Yan, this kid is afraid It’s not good to die!”

See here!

Yan Yutang’s face also snorted coldly, and his face was full of disdain:

“Boy, the tone is not small, but in the eyes of the old man, you are just ants all the time. If I want to kill you, it’s just a snap. ”

Old Yan, don’t kill him! Just maimed him, I will torture him slowly!”

Xiao Tingjun shouted with a ferocious face.

Yan Yutang nodded confidently, and then looked at Lin Fan again:

“Boy, now my Xiao family wants you to be reduced to rubbish, what else do you have to say?”

Lin Fan suddenly showed impatience and angrily rebuked:

“If you talk nonsense again, I will let you be a waste in your life!”

Boom!

This sentence spread across the entire hall in an instant, causing the brains of all the people present to roar completely, making them all exclaimed in exclamation, like a ghost!

Arrogant!

The arrogance is extreme!

At this time, Yan Yutang suddenly wiped out a fierce eye, and shook his head:

“A young man who knows nothing about life and death...” “That’s it, that’s the case, then the old man will let you know what a praying man’s arm is a car, and it’s irresponsible! ”

An angry rebuke fell, followed by Yan Yutang’s body, a terrifying cyclone suddenly broke out, and the whole person rushed out like an arrow from a string.

See here!

Wen Qian burst into laughter suddenly, turned her head, and looked at Bai Yi sarcastically:

“Bai Yi, the retribution of your dog men and women is coming! Your husband will soon become a waste, and you will become Young Master Xiao.

Bai Yi ’s plaything, hahaha!” Upon hearing this, Bai Yi was completely panicked, and pleaded with Wen Qian, “Wen Qian, I beg you! Help Lin Fan beg for mercy, as long as you let Lin Fan go, let me do it. Anything is fine!”

She also knew that there was no chance that Grand Master would win against Grand Master, and Lin Fan would undoubtedly die.

Wen Qian laughed louder after hearing this, her eyes full of contempt:

“Hahaha, Bai Yi, I didn’t expect you to have today too! But it’s a pity, it’s too late!”

“Lin Fan, that trash, dare to fight Young Master Xiao, then it is doomed that there is only one dead end, no one can save him! You are all over! ”

Just!

Just when everyone thought that Lin Fan must have no way to survive this time.

The next scene caused all of them to split their livers and gallbladders!

Puff!

Just when Yan Yutang was only five meters away from Lin Fan.

He was paralyzed on the ground in shock, kneeling in front of Lin Fan!

At the same time, his face was pale, and his muddy old eyes were full of horror, as if he had seen a ghost.

That trembling hand also pointed at Lin Fan’s chest at this time, and screamed in horror:

“You...this is impossible! This is impossible!!!”

What!

Seeing this, the whole audience was dumbfounded!

How is this going?

Yan Yutang, who was originally full of confidence and murderous, was actually paralyzed on the ground in shock at the moment he was about to shoot?

They are not dreaming, right?

Yan Yutang, what did you see?

Can he make a great master look horrified?

As everyone knows, what Yan Yutang saw was a tattoo!

A tattoo belonging to the devil!

Yan Yutang had never been so frightened as he is today, and his whole body was out of control, shaking frantically.

Those eyes with extreme horror stared at Lin Fan, unable to even speak.

This man turned out to be the King of Blood Prison!

At this moment, Lin Fan twitched his mouth and smiled: “Do you still want to kill me?”
