

Chapter: 1234

boom!

Hearing this, Yan Yutang only felt that his heart was about to stop suddenly, and he almost urinated on the spot.

Kill you?

You are the man known as the Demon King, the king of the dignified blood prison, let alone me, even if you add ten great masters, you are not your opponent!

How dare I...

Thought of this!

Yan Yutang knelt towards Lin Fan under everyone's unbelievable gaze, and kept kowtow towards him with a frightened look.

"Sir, it's me who has no eyes, it's me who lives and lives! Please forgive me if you have a lot of them!"

"In front of you, I am an ant, I...I damn it!" He said!

He quickly reached out and patted his cheek fiercely.

Soon, a piece of blood appeared on his right cheek, and his face was directly cracked by this palm, which shows how terrified Yan Yutang is today.

Happiness!

However, he seemed to be desperate, the slap kept bowing left and right, and furiously waved towards his cheek.

In an instant, let his old face be covered with flesh and blood.

Senseless!

Seeing Yan Yutang kneeling down like a dog, begging for mercy, everyone present was dumbfounded.

how can that be?

Isn't Yan Yutang extremely confident that killing Lin Fan is easy?

But why did you just kneel down?

Damn it, what happened!!!

Everyone went crazy the moment they saw this scene, each of them numbed their scalp and felt their heart missed half a beat.

A grandmaster, a grandmaster for Xiaoxiao, kneel down?

Hallucinations!

This damn thing is an illusion!

Especially Xiao Tingjun!

When he saw his patron saint, the old man who had always been majestic and domineering, actually knelt in front of Lin Fan like a dog begging for forgiveness, and even slapped himself in spite of his face. He felt that his breathing was about to stagnate, as if at any moment. All will be faint in the past.

Not only him!

Wen Qian and Li Sang Hyuk next to them were also completely petrified!

In my heart, I suddenly had an ominous premonition!

"How could this happen? Lin Fan clearly injured Xiao Dashao and humiliated Yan Lao in public. Why did Yan Lao kneel down and apologize?"

Everyone's eyelids jumped wildly, and they didn't know what happened.

The brain is going to explode.

The scene before them is driving them crazy.

What exactly is going on!

Now!

Xiao Tingjun was ashamed to the extreme, and shouted at Yan Yutang like crazy: "Old Yan, are you crazy? He dared to hurt me, so you apologized to him?"

"I order you, kill him immediately!"

just!

Unexpectedly, Yan Yutang instead of doing so, instead screamed at Xiao Tingjun with a grim face:

"Shut up! Little beast, you dare to be rude to him? You are just looking for death!"

"Don't say it's you ." , Even the entire Xiao family, in this one's eyes, it can be wiped out! Immediately kneel down and apologize, otherwise you and the entire Xiao family will be wiped out! "

This one in front of you is the King of the Blood Prison!

Your Xiao family is nothing more than one of the dogs of others, but a master bitter who knows nothing about life and death?

This is simply looking for death!

what!

The horror of everyone suddenly reached the point where it could not be added!

Isn't even the Xiao family an opponent of this guy?

how can that be!

This guy is obviously a trash son-in-law!

This is not true! They must have heard it wrong!

After Xiao Tingjun heard Yan Yutang's warning, instead of waking up, he still didn't know how to repent.

His eyes showed a deep spiteful color, and he glared at Yan Yutang:

"You dream! This scum dared to hurt me, I must break it into pieces. Whoever dares to stop me will have to die!"

"Also ! You, Yan Yutang! You, immortal, dare to betray my Xiao family?"

"You, I will not let it go either!"
