

# Chapter: 1239

Xiao Tingjun was going crazy.

He was beaten up, humiliated, and almost castrated, and now he has to apologize?

How could he accept it?

My father is crazy. What is there to be afraid of as a trash couple?

“Death?”

Xiao Youwei turned his head savagely, and stared at Xiao Tingjun firmly:

“Since you don’t want to apologize, go to death!”

What!

At the moment when he heard this, Xiao Tingjun suddenly felt short of breath, his face was suddenly covered with fear, and he almost fainted on the spot.

Your father is serious?

It’s not just him!

After hearing these words, Wen Qian, Li Xianghe and others who were present were completely petrified.

If you don’t apologize, you have to die?

Xiao Youwei actually treated his son so mercilessly for two wastes?

When they heard this, everyone felt a tingling scalp.

“Dad, you actually want to kill me for these two wastes?”

Xiao Tingjun’s eyelids jumped wildly, and a thick shock appeared on his face, as if he had seen a ghost.

at this time!

Even Bai Yi couldn’t help being stunned.

What is going on here?

She originally thought that with the appearance of Xiao Youwei, she and Lin Fan would face a catastrophe.

However, he didn’t expect that Xiao Youwei would not help but say that as soon as he appeared, he would stand on their side.

This is simply incredible!

waste?

Xiao Youwei, who heard this, immediately sneered and said gloomily:

“Miss Bai Yi, is the spokesperson of the King of the Blood Prison in Jiangnan, the veritable Jiangnan Communist, such an existence...

” Is it rubbish??” The last sentence suddenly roared, deafening!

All the people present trembled fiercely!

The spokesperson of the King of Blood Prison?

Jiangnan Gongzhu?

impossible!

This is impossible!

Nowadays, in the entire Jiangnan noble circle, there is a widespread rumor that Bai Yi is a bastard, and only by accompany the big man to bed in exchange for the false name of “the Jiangnan Communist Party”.

How could she be the spokesperson of the King of Blood Prison in Jiangnan?

The moment I heard this!

Wen Qian and Li Xianghe immediately trembled uncontrollably, and their faces suddenly became gray.

Bai Yi, really is the Jiangnan Communist Party?

Isn’t that equal to the Xiao family’s status in Jiangbei?

But they dare to attack Bai Yi, isn’t this tantamount to provoking the King of Blood Prison?

Thinking of this possibility, they almost wanted to cry without tears, and their faces were completely dull.

Everything is understood!

No wonder, Yan Yutang would kneel down to Lin Fan and beg for mercy!

No wonder the Nalan family would be so humble to Lin Fan!

No wonder, Xiao Youwei would take the initiative to apologize!

Just because Lin Fan’s wife is the most powerful woman in Jiangnan today!

Those rich and famous Jiangshi who had just spoken to insult Bai Yi, their complexions were like frosted eggplants at this moment, and they were so frightened that they were almost scared to pee on the spot.

This is simply looking for death!

At this time, Xiao Tingjun was completely stunned, and only felt that his brain was blank.

Bai Yi, really the Jiangnan Communist Party?

And was it appointed by the King of the Blood Prison himself?

Even though Xiao Tingjun wanted to cry without tears, his whole body trembled crazily with fear, only to feel that the Three Views had completely burst.

Sure enough, the rumors are not credible!

He even dared to ask the Jiangnan Communist Party to wait for him to sleep. If this were to let the King of Blood Prison know, he would be... a dead end!

However, there is more to it!

Xiao Youwei’s face was completely blue at this moment, staring at Xiao Tingjun coldly:

“Besides! The blood prison mad god has already personally called me just now, and it is already a death order. If you can’t let Miss Bai Yi calm down today, then My Jiangbei Xiao family...”

“Will be removed from this world forever!”
