

# Chapter: 1243

Looking at Wen Qian, she was dragged down with a heartbreak.

Bai Yi's heart is full of mixed flavors.

She didn't want to be like this at first, but Wen Qian went too far, trying to put her couple to death everywhere.

No matter who it is, there is no way to forgive it easily. The best she can do is not retaliate against Wen Qian.

"I don't want to spread what happened tonight, do you understand?"

Lin Fan looked around with cold eyes.

just!

When everyone heard this, they looked contemptuous and ridiculed in their hearts: What a fox and pretender!

If it weren't for your wife, would you be a shit?

There is even a face to threaten us!

"Have you heard?"

Seeing everyone's disdain, the elder suddenly yelled, sounding like a bell, deafening.

Everyone shuddered immediately, and nodded honestly.

"Mr. Lin, Miss Bai Yi, I'll take you away!"

The elder turned his head and respectfully escorted Lin Fan and two of them away from the engagement banquet.

As soon as they left, all the faces of everyone present were filled with ill-intentioned smiles.

Offend the Jiangbei Xiao family!

Steal the Queen's Necklace!

In their eyes, Lin Fan and Bai Yi are already dead!

.....

"Brother Lin, are you free today? I want to invite you to dinner!"

A few days later in the afternoon, Lin Fan suddenly received Zhang Yichen's invitation.

Lin Fan wanted to refuse, but Zhang Yichen obviously had anticipated it, and said first:

"It won't delay you for a long time. I have very important things to tell you."

Lin Fan couldn't laugh or cry, so he could only agree:

"Well then, you tell me where the address is." After hanging up the phone, Zhang Yichen was immediately full of heart. Happily, he jumped up from his chair and said excitedly:

"Great! Brother Lin has promised to date me! Xiao Nan, you can help me choose clothes for my date tonight!"

"Sister Yichen, You are a queen, isn't the goddess in the minds of many men around the world just seeing a man? As for being so nervous?"

That Xiao Nan was surprised. For the first time she saw that Zhang Yichen cared about a person so much.

"What do you know, how can an existence like Brother Lin be comparable to ordinary men?"

Zhang Yichen was immediately angrily:

"If it weren't for him, I Zhang Yichen would not be qualified to be a queen!"

"I will dare to talk about Brother Lin in the future. No, you can go to the Finance Department to get your salary!"

"Yes..."

That Xiao Nan was panicked suddenly, and he didn't dare to talk nonsense anymore.

It's seven o'clock in the evening!

Lin Fan came to the hotel where he met, and found a place to sit down at random.

just!

At this moment, a young girl suddenly sat in front of him, with heavy makeup, enchanting and enchanting, but with a superior posture.

The moment he saw Lin Fan, a look of contempt appeared on his face:

"Go ahead, I'm in a hurry! Do you have a house or a car?"

Huh?

Lin Fan was stunned, and then laughed dumbfounded. Does the other party regard him as a blind date?

Seeing Lin Fan's smirk, Zou Xiaoqin's face suddenly sank:

"What about you, deaf? Are you deaf?"

"I'll tell you first, my conditions for Zou Xiaoqin are very high, with a house of less than 10 million yuan. A car worth a million, don't even think about it!"

Lin Fan only felt funny for the other person's good self-feelings, and then shook his head:

"I think you have misunderstood. Actually, I..."

"What is it?"

Zou Xiaoqin lead interrupted, his face suffused with a deep sense of contempt of color:

"?! in fact, you are a dead beast Oh, his aging mother would have seen that the"

"pauper scholars also blind date, do not look in your own piss What virtue, his aging mother blind delay time, really bad luck! "

said!

Zou Xiaoqin glanced at Lin Fan in disgust, and wanted to get up and leave.

just!

At this moment, there was a commotion at the door.

"Chinese-speaking queen Zhang Yichen is here!"
