

# Chapter: 1246

For the appointment tonight, Zhang Yichen specially booked the best box in this hotel.

One night, millions!

The two were seated one after another.

At this time, Zhang Yichen blushed involuntarily without knowing what he was thinking.

at last!

Zhang Yichen seemed to be courageous, and asked loudly:

“Big Brother Lin, you... what do you think of me?”

Huh?

Lin Fan was taken aback, for some reason Zhang Yichen suddenly asked.

But he gave a pertinent reply:

“You are very good, you have a good personality, and you are beautiful!”

“I...I didn't ask this, I asked if you should be a girlfriend?”

Zhang Yichen looked expectantly. Lin Fan, she has made up her mind to take Lin Fan no matter what.

Even if you can't make it into the main room, it's okay to be a three.

Even so, it may seem shameless, but who made her poisoned by this man?

Except for Lin Fan, she could no longer fall in love with anyone else!

Lin Fan was taken aback, then smiled and said:

“You are a very talented woman, and you are beautiful and generous. You are deep in the quagmire of the entertainment industry, but you are still in the mud and not stained, clean and pure!”

“If you become someone else one day My girlfriend, that must be the perfect girlfriend!” A few simple words have already made Zhang

Yichen's eyes wet.

This is the most touching love story in the world!

This is the best award in the world!

She was more excited and ecstatic than she became a queen.

Because these words came from Lin Fan!

She tightly grasped Lin Fan's hand with both hands, bit her lips firmly, not letting herself cry:

“Then if I say, I want to be yours...”

Bang!

just!

Before they finished speaking, the door of their box was suddenly kicked open.

then!

A man and a woman rushed in, the man's face was gloomy, and the woman's face was contemptuous, both of which were unkind staring at Zhang Yichen.

The moment Zhang Yichen saw the man, Zhang Yichen's face instantly turned pale, and there was a deep anxiety and fear.

It seems that the person who came is a scourge!

Wang Mingzhe!

The grandson of the capital, the eldest grandson of the Wang family!

The status of the Wang family in the capital is by no means comparable to that of the Zhang family. It is said that the three generations of the Wang family have a red background.

Unlike ordinary giants, they not only have money, they also have power!

Moreover, the power is overwhelming the world!

The most important thing is that the Wang family has another identity, that is, the No. 1 wealthy family in Beijing, the running dog of the Lin family!

therefore!

It's no wonder that Zhang Yichen was so scared that Huarong was pale when he saw the other party.

“Zhang Yichen, you slut! I've made appointments with you so many times, but you don't love me, but now you are eating with a wild man?”

The man jumped into thunder, and directly overturned the table, saying arrogantly. :

“In China, no one has ever dared not give me Wang Mingzhe face, I think you are looking for death!”

“Wang Mingzhe, are you crazy?”

A well-planned confession was ruined by Wang Mingzhe, and Zhang Yichen even cried in anger.

“Oh, dare you yell at me? You really made yourself behind?” Wang Mingzhe sneered and said angrily:

“In the eyes of others, you are the queen ! But in my eyes, you are a lowly actor, I want to play Just play!”

“If you want to fight...just fight!” When the voice fell, Wang Mingzhe raised his hand and waved it at Zhang Yichen's cheek.

Zhang Yichen screamed in fright, her pretty face turned pale, her hands helplessly hugged her head, fear to the extreme.

just!

After waiting for a while, the expected slap did not arrive!

Zhang Yichen opened his eyes suspiciously, and then he saw that Lin Fan's hand was like iron tongs, claspng Wang Mingzhe's hand firmly.

There was already a smattering of anger between the eyebrows, and he shouted:

“Get out!” The next moment!

Wang Mingzhe retreated several steps violently, and then staggered and fell to the ground severely.

“Wang Shao, are you okay?” The woman hurriedly helped Wang Mingzhe, and at the same time glared at Lin Fan fiercely:

“You dog, you dare to do something to Wang Shao? Do you know who he is? He is Jingcheng Wang The only seedling of the family, you are dead!”

And this time!

That Wang Shao stared at Lin Fan with an unbelievable expression. After a long while, he asked out unbelievably:

“Are you... Lin Fan?”
