

Chapter: 1257

Zou Xiaoqin was triumphant, but she didn't expect Li Huairen to make a sudden move, and she was stunned on the spot.

Then he looked at Li Huairen in disbelief: " Patriarch Li, you... why are you hitting me?"

Everyone present was also dumbfounded !

"Hit you?"

Li Huairen's eyes were torn apart, and his eyes were full of hatred:

"I can't wait to kill you!"

Zou Xiaoqin's reckless words made him almost frightened to a heart attack!

This damn slut made them Li Family offend Lin Zuo, and still have the face to ask him why he hit someone?

Wow!

Seeing this, everyone present was also dumbfounded.

Just now, the Li family looked grateful to Zou Xiaoqin, but now they look like they want to kill her. What's going on?

This old thing, can't it be a brain?

at this time!

Zou Xiaoqin couldn't believe his eyes, trembling uncomfortably, and then looked at Lee Sang Hyuk as if asking for help.

But seeing Li Sang Hyuk with the same gloomy face and staring at her grimly : "Bitch, you dare to insult Mr. Lin, you are damned!"

Mr. Lin?

What Mr. Lin?

Everyone at the scene was puzzled. Where is Mr. Lin here?

Even Zou Xiaoqin felt extremely aggrieved, and said mournfully:

"But I have never offended Mr. Lin at all!"

Just!

At this moment, a voice sounded instantly:

"I think it should be me what they said!"

Swish!

Everyone immediately followed the prestige, and saw that the speaker turned out to be Lin Fan!

what!

Everyone was horrified at once, and their eyes seemed to be staring out.

Mr. Lin, is Lin Fan?

how can that be!

This guy, obviously interrupted Lee Sang Hyuk's leg. The Lee family should come to him for revenge. How could he protect him?

Immediately, Wang Mingzhe smiled grimly, with a deep scorn on his face:

"Lin Fan, I think you are dreaming, right? You interrupted the Li family's legs and expected them to protect you? Unless they have a bad brain. It's gone!"

"You, just wait to be crushed by the Li Family!" The words were full of cruelty and cruelty!

And hearing this, everyone present cast a contemptuous look at Lin Fan, secretly satirizing Lin Fan's whimsical.

They are all dead, and they are still daydreaming!

This kid is really an idiot!

just!

The corner of Lin Fan's mouth was slightly tilted, and then he looked at Li Huairen and the others with a smile but a smile:

"I see, it's not necessarily?"

What!

Hearing this, everyone was stunned for a while, completely stunned, and they all wondered if they had auditory hallucinations.

Right now, they looked at Lin Fan as if they were looking at a madman.

And this time!

Li Huairen and others no longer paid attention to Zou Xiaoqin, but walked straight towards Lin Fan.

The unique majestic aura of these high-ranking people all made everyone present tremble.

See here!

The faces of Wang Mingzhe and Jiang Xin were full of excitement.

just!

The next scene made them completely desperate!

Puff!

The Li family, headed by Li Huairen, knelt down towards Lin Fan under the horrified eyes of everyone.

Five-body cast!

Li Huairen looked terrified and said loudly,

"Mr. Lin, please forgive me !"

The frightened words resounded like a thunderous sensation!

What...what!!

It was also this sentence that made everyone at this time completely dumbfounded, wondering if they had hallucinations.

Isn't the Li family here to take revenge?

Now kneeling down in front of him, begging him for mercy?

how can that be!

Li Huairen, the head of the Li family and a self-made legend, led all of the Li family's direct descendants and knelt down and begged for mercy to the murderer who broke his son's legs.

This scene really happened before everyone's eyes, making them shocked as if they were dreaming.

I can't believe it, my own eyes!

And this time!

Zou Xiaoqin, Wang Mingzhe and others were completely dumbfounded!

A trace of fear appeared in their hearts.

The glimmer of hope they had just raised was completely extinguished at this moment!

No wonder the Li family was so angry after hearing that Zou Xiaoqin insulted Lin Fan!

It turned out that they came to Lin Fan not to take revenge, but to beg for mercy!

At this moment, Zou Xiaoqin was completely shocked!

A burst of yellow soup was flowing along the hem of her skirt on the floor wantonly!

That's it!

But it is not Lin Fan who is going to finish, but her!
