

Chapter: 1259

what!

On Wang Mingzhe's face, a strong anger suddenly appeared, causing his Wang family to kneel down on this waste?

How can it be!

"Lin Fan, I advise you not to seek death!

Insulting me is equivalent to insulting the Li family, you will die without a place to bury!" Wang Mingzhe threatened Lin Fan with hatred in his eyes.

Lin Fan sneered:

"It seems that our Young Master Wang hasn't figured out the situation yet!" "Li Huaiaren, interrupt his leg!"

Boom!

In an instant, Wang Mingzhe was completely blown up.

crazy!

This guy is really crazy!

He didn't talk about hurting him, but now he still wants to break his leg?

Is he really planning to stay with them and live forever?

Hearing this, Li Huaiaren's face suddenly showed a hideous look:

"No problem!"

Then, the opponent winked, and a group of people walked towards Wang Mingzhe.

This scene made Wang Mingzhe horrified even more. When even he screamed:

"Li Huaiaren, are you crazy? You are making enemies with our Wang family!"

Not only Lin Fan is crazy, but Li Huaiaren is crazy!

How could a local snake like the Li family be the opponent of the powerful dragon of the Wang family?

But Li Huaiaren obeyed Lin Fan's instructions to break his legs?

just!

Hearing the threat from the other party, Li Huaiaren sneered:

"For Mr. Lin, the Wang family is nothing more than an ant!"

Lin Fan, but a dignified Chinese forest seat!

What is the Wang family?

Also worthy of threatening Lin Zuo?

However, his remarks caused the audience to boil completely!

To Lin Fan, the Wang family is an ant?

Lin Fan said these words just now, but they sneered at them as Lin Fan's big talk.

But now!

Li Huaiaren actually said the same words, so they had to believe it!

For an instant, everyone was extremely horrified. They all cast a ghostly look at Lin Fan, and they were extremely uneasy.

What a terrifying background this guy has.

Can Li Huaiaren give such a big affirmation?

On the side, Wang Mingzhe was completely frightened, his eyes were full of shock, and he couldn't believe his ears.

then!

He also stared at Lin Fan, with an ominous premonition in his heart, what exactly has this waste experienced over the years?

however!

"Kneel down now, or kneel down forever!" An extremely ferocious shout suddenly burst out of Lin Fan's mouth.

His eyes are already covered with brutal cold light!

Puff!

Immediately, Wang Mingzhe knelt on the ground with a face of shame, and a touch of resentment appeared deep in his eyes.

Let him kneel down as a wealthy young man.

This is more painful than killing him!

In his heart, there was already a crazy hatred for Lin Fan.

just!

Lin Fan didn't care what he thought at all, and said in an extremely cold tone:

"You should be glad that you are not the Lin family."

If Wang Mingzhe is the Lin family, then he is already dead at this time.

But Wang Mingzhe disapproved of Lin Fan's forgiveness.

On the contrary, Lin Fan's lofty tone was so harsh to him, it was simply a humiliation.

This rubbish, dare to surpass yourself?

Unforgivable!

He is damned!

Wang Mingzhe lowered his head, his eyes were bloodshot, filled with spiteful hatred, and he vowed in his heart that he would smash Lin Fan into pieces!

"Get out!"

Lin Fan spit out a word indifferently.

Wang Mingzhe stood up with a gloomy expression, and then left angrily towards the door, with strong hatred.

"Wang Shao, save me!"

At this time, Jiang Xin was crying and begged Wang Mingzhe.

But Wang Mingzhe didn't even look at her, as if turning a blind eye.

Upon seeing this, Lin Fan suddenly sneered, staring at Jiang Xin with scorching eyes:

"Now, it's time to clean up you!"
