

Chapter: 1262

And this time!

After leaving the hotel, Wang Mingzhe was unwilling, took out his mobile phone to dial, a mysterious number.

“Master, I saw Lin Fan’s trash.”

Huh?

The man on the other end also seemed to be surprised and slightly taken aback.

But after a while, he sneered extremely disdainfully:

“I know, that waste has always been in Jiangshi !” Wang Mingzhe’s face sank, and he said a little uneasy:

” Young Master , he seems to be different, I Just now I saw that even the Li family in Jiangbei was in awe of them!”

Just!

Hahaha!

On the other end, bursts of laughter burst out, full of mocking laughter:

“Wang Mingzhe, Wang Mingzhe, you let the trash bluff it!”

“The Li family was afraid. It was not the trash at all, but his. Wife, Bai Yi! ”

What!

Wang Mingzhe’s expression changed rapidly, and his eyes were full of shock.

“As far as I know, that waste became the door-to-door son-in-law, and his wife is the Bai Yi who is now in the south of the Yangtze River.”

“Before the Li family had offended Bai Yi, he was traded by mysterious forces. In the sanctions, the Li family was afraid that they had touched their noses in Bai Yi’s place, so they had to look for this waste !

The corner of Wang Mingzhe’s mouth showed a resentful smile:

“In that case, it makes the trash fox fake!”

And the young man also sneered:

“Back then, the Lin family could trample him under our feet, and now we can Same thing!”

“Because of waste, it is waste after all!”

Wang Mingzhe, who realized that he was being bluffed, was immediately ashamed, and his eyes filled with spiteful anger:

“That damn dog thing, I will never let him go!”

“Wang Mingzhe, That rubbish is nothing, but Bai Yi is not annoying. According to the information I collected, the one standing behind her is probably...”

“Lin Zuo!”

What!

Hearing this, Wang Mingzhe immediately weakened his legs and almost collapsed to the ground in fright.

His face was full of horror!

Lin... Lin Zuo?

One of China’s four major military seats, the palm of life and death wheel, grasps the supreme authority, is known as the country’s most important weapon, the most unlimited existence!

Is he involved with Bai Yi?

This... this is incredible!

Wang Mingzhe only felt short of breath, and was really frightened at this time.

No wonder that Bai Yi, who was able to turn out to be born, became the co-lord of the entire Jiangnan, because behind her stood an existence standing at the peak of China’s power.

Wang Mingzhe swallowed fiercely.

Then, a

lewd smile appeared on his face: ” Young Master , you said that if I soaked that Bai Yi and put a green hat on that waste, would Bai Yi continue to protect him?” Wang Mingzhe Very confident!

With his own background, conversation and appearance, Bai Yi will be able to get into bed.

In his eyes, he is more than a hundred times better than Lin Fan?

The young man was visibly taken aback, and then said with joy:

“If you can successfully put Bai Yi to sleep, it would be invisible, and helped our family win Lin Zuo. With such a terrifying help, then Lin Zekun must be the head of the Lin family!”

“If you can really get what you want, I can guarantee that as long as I inherit the position of Patriarch, if you Wang Mingzhe is in my Lin family, you will be more than 10,000 people under one person!”

Boom!

The other party’s promise immediately caused Wang Mingzhe’s heart to thump and thump wildly, and even his breathing became extremely rapid because of his excitement.

“Young Master, don’t worry! I will definitely live up to your expectations!”

Dang hung up the phone!

A grim smile appeared on Wang Mingzhe’s face:

“Lin Fan, your wife, I want it!”

“Your life, I want it!!!”
