

Chapter: 1267

Seeing Lin Fan's humiliation, Wang Mingzhe was madly happy.

But on the surface, he pretends to be generous:

"Grandpa Shen, forget it!"

"This brother is afraid that he has never been so beautiful in his life.

Let him pretend to feel the position of the nobleman. It's nothing. "It's a big deal."

"Let's go to the exhibition now, don't let Mr. Timis wait for a long time." The old man snorted, but still said in disgust:

"The ability is not by pretending to be! It's just waste. Rubbish! Only worthy of being trampled underfoot for the rest of my life!"

Saying!

He didn't look at Lin Fan again, and walked away from the door.

"Lin Fan, can you shut up, don't you think it's embarrassing enough?"

Bai Yi complained to Lin Fan a little annoyed, only feeling extremely embarrassed.

Jinding is the property of the King of Blood Prison, so if you really want to invite you, you also invite yourself. How could you invite Lin Fan?

Lin Fan's lie would only add to the ridiculousness and make their family a laughingstock.

Lin Fan opened his mouth, but only smiled helplessly.

then!

A group of people walked toward the door and got on the car one after another.

just!

When it was Lin Fan's turn, Wang Mingzhe stopped in front of him instantly and said falsely:

"This brother, I'm really sorry, I have just one ticket missing . Why don't you go? You can't afford it anyway, the province is ashamed and conspicuous!"

This is obviously intentional!

Hahaha!

On the spot, everyone in the Shen family burst into a roar of laughter, and it was hard to see that Wang Mingzhe was deliberately finding fault.

"Lin Fan, I think Shao Wang is right. Anyway, you can't afford it even if you are so poor, then you should go home and wash and sleep!"

Shen Ling also smirked and laughed, adding in his heart:

When you wake up, there will be a green hat on top of your head!

And Father Shen directly ordered:

"Let him go back! Take Jinding, and lose the face of our Shen family?"

Wen Yan!

Bai Yi suddenly felt uncomfortable, and she wanted to get out of the car.

just!

Lin Fan put his hand on the back of her hand, smiled and shook his head at her:

"In a moment, we will meet at Jinding!"

What!

At this moment, the Shen family looked at Lin Fan as if they were looking at a madman.

This guy still wants to go to Jinding?

What do you think Jinding is that cats and dogs can enter casually?

What a joke!

To them, Lin Fan's words were simply idiots.

Just as he said Jinding came to him, he was so shameless!

Disgusting!

Even Bai Yi didn't believe it, she showed a hesitant look:

"But you..."

Lin Fan smiled:

"Don't worry, I will go if I say that I will go, after all, Jinding Can there be no master!"

Huh?

Upon hearing this, everyone was stunned.

They all don't know what Lin Fan's words mean.

"Then we shall meet at Jinding?"

Wang Mingzhe dropped a word contemptuously, and then asked Timis to start the car and leave Shen's house.

Looking at the convoy going away, Lin Fan's mouth suddenly formed a cold smile, then pulled out the phone and dialed a number.

...

About an hour later, the convoy stopped at the gate of the Golden Summit Jewelry Exhibition Center.

And this time!

There were already hundreds of people, all gathered at the door, and when they saw Wang Mingzhe and others getting off the car, they immediately bowed respectfully:

"Congratulations to Mr. Lin!"

Even at the door, there was an extremely luxurious gold- letter sign that read: Congratulations to Mr. Lin!

Mr. Shen and others, had never seen such a formation before, and were directly stunned.

"That's the Shaodong of the Song family in the north of Jiangbei! A billionaire in his early twenties!"

"The No. 1 province in Jiangnan has come?"

"The richest man in the three cities of Tianyu City, Tongzhou, Jiangzhou, is also bowing to us.!"

They couldn't believe their eyes!

At this moment, the big brothers from Jiangnan and Jiangbei came almost halfway, and each of them nodded and bowed in their direction!

Respect to the extreme!

This moment!

Even Wang Mingzhe was dumbfounded, and he never thought that he was so face-to-face, so that so many powerful and powerful people were here waiting for his presence!

This is simply dreaming!
