”

Pretending to be Mr. Lin, dare to be so arrogant? Give me a fight!” Ye Shihao suddenly roared, and a group of bodyguards rushed to Wang Mingzhe with old punches in an instant. Ahhhhh

...

the screams of killing pigs sounded one after another!

The screams made the Shen family no longer have the scenery and arrogance they had just now, each of them seemed to have seen a ghost, almost scared to pee.

Even the Wang family dare to fight?

This man, is he crazy?

“You... could you make a mistake? He is really Mr. Lin. Did you not recognize him because you haven't seen Mr. Lin?”

Cuiping almost cried in fright, with a frightened expression on her face.

Looking at Ye Shihao.

It looks like this, and it's not inferior to the previous one, it's just like two people.

And this time!

Ye Shihao didn't bother to pay attention to her. Instead, he cast his gaze coldly on Timis not far away:

“Timmy, what the hell is going on!”

Just listen to this!

Timmy, who was already too nervous, suddenly softened his legs and almost fell to the ground.

His face was full of deep fear, and drops of cold sweat continued to flow down his forehead:

“He said he was Mr. Lin, so I...I...” It's over!

Great trouble!

He unexpectedly picked up the wrong person and neglected the real Mr. Lin.

This... is a capital crime!

These damn Shen family dare to cheat themselves!

“Trash!”

Ye Shihao suddenly jumped into a rage and was about to attack.

But right now!

A military helicopter was roaring, passing over everyone's heads, and then slowly landing on the hotel apron!

See it!

Everyone was in an uproar, military helicopters for private use?

Who has such a big hand?

Could this be the real Mr. Lin?

tension!

excitement!

The big guys suddenly regained their mood, looking at the direction of the apron, one by one looking eagerly.

It turns out that this is the real Mr. Lin!

And Ye Shihao realized something, and he glared at Timis:

“You'd better think of an excuse to explain to the blood master!”

Puff!

When he heard this, Timis was immediately paralyzed in shock, his face was already ashamed.

But Ye Shihao ignored him, leading a group of big guys, and walked directly toward the apron.

For a moment!

The entire doorway is empty!

Wang Mingzhe is dumbfounded!

The Shen family are dumbfounded! Mobile:

What's this special, what is going on?

I didn't come to them, so why go to Shen's house?

“Wang Shao, what...what's going on? Didn't you say that you are Mr. Lin? Why are they not buying your account?”

“Wang Shao, you have hurt us this time, that Lin The husband has a big background at first glance, otherwise there won't be so many big guys greet, but you dare to pretend to be, we are going to be tired by you!”

“It's over! If that Mr. Lin gets angry, we won't be dead.” Is it?”

A group of Shen family members, no longer the humility and respect they had just now, complained one by one unhappy.

at this time!

Wang Mingzhe's face was flushed, and his shame was extremely humiliated at this time.

After being beaten up, and still embarrassed in front of Bai Yi, how can we implement the plan to pick up girls?

“Impossible!

Timmy personally went to Shen's house to invite me, how could there be a fake?” Wang Mingzhe said with a gloomy face:

“It must be because I just became the Lin family, and these idiots don't know me, so Think I'm impersonating!”

“Just imagine, in today's Jiang City, among the surnamed Lin, who can be more noble than my identity?” At this time, the audience was silent!

They also felt that Wang Mingzhe's words were not unreasonable!

Cuiping's face suddenly sank, and she resumed her previous domineering behavior:

“I just said, how could Shao Wang make a mistake? It must be those idiots who have no eyes!”

And Wang Mingzhe, his face sank, and said angrily:

“I will make them regret it!”

However!

At this moment, Shen Ling in the crowd did not know why, and suddenly took a breath.

then!

He showed an expression as if he had seen a ghost, with trembling fingers pointing at the man who walked down from the helicopter:

“That man, it seems to be Lin Fan!”
