Ye Shihao's lungs were about to explode, and he even had an urge to pinch Wang Mingzhe to death on the spot.

He had a sullen face and said:

"I was wrong, please calm down my anger!"

Seeing!

Wang Mingzhe snorted, and then proudly said to the Shen family:

"You guys, do you still have any doubts?"

All the Shen family hurriedly shook their heads, staring at Wang Mingzhe impulsively.

"Look at it, I said that Master Wang couldn't make a mistake! You really have no eyes, and you still suspect Master Wang!" Cuiping quickly said, her smile on her face became more flattering and flattering, and then she also put on a high profile. The attitude of Ye Shihao yelled at Ye Shihao:

"You have offended our Wang Shao, do you think that's all it takes? Those people just now, let them come out and greet us Wang Shao again!"

Huh?

Wang Mingzhe's eyes lit up, and then he applauded:

"Aunt Cuiping is still thoughtful!"

Then!

Wang Mingzhe stared at Ye Shihao and ordered:

"Yeah! Lao Tzu, but your distinguished guest, how can this show be less? Let them all get out and apologize to me one by one!"

What!

Ye Shihao suddenly became angry, and that face became more and more gloomy.

A counterfeit, pulling Mr. Lin's tiger skin, was lucky enough to get into the golden roof, but he clamored again and again, really when he is not a vegetarian, Ye Shihao?

Really looking for death!

Just when Ye Shihao was about to attack, he heard Old Man Shen speak:

"Forget Mingzhe, business matters!"

Wen Yan!

Wang Mingzhe gave a cold snort and glared at Ye Shihao:

"If there is another time, you can raise your head and see you! Let's go!" The Shen family, proudly, walked into the golden roof. Inside the Jewelry Exhibition Center.

The moment I stepped into it!

He was blinded by the dazzling dazzling jewels in front of him.

Strings of expensive jewels lie quietly among the shop windows, reflecting a dazzling and seductive light.

It seems that as long as you look at it, you can't help but get stuck in it.

"A necklace costs thirty million?"

Shen Ling stared at a necklace in a shop window, exclaiming in disbelief.

Wang Mingzhe smiled slightly and explained:

"Golden dome is a branch of the blood tea, after all, so how can the things they auctioned be ordinary things?"

"Only jewels of tens of millions of levels and unique are eligible to enter theirs. Showcase!"

Although I have heard about it a long time ago, I only saw it with my own eyes, but I knew how extraordinary the golden roof is.

"Wang Shao, that road is magnificent and magnificent, so beautiful!"

Suddenly, Shen Ling looked at a golden road, exclaimed.

The avenue does not know where it leads, it is covered with gold bricks and inlaid with various gems. It looks extremely luxurious, and it is even more eye-catching than the jewels present!

"Xingyue Road, built with more than one thousand gold bricks and hundreds of gems, cost an astonishing one billion!"

"This is a VIP channel specially created by Jinding for the top dignitaries, especially for Lin Zekun. Even I am not qualified to set foot in the existence of"

What!"

Upon hearing this, the entire Shen family was completely shocked!

A VIP channel, is the cost of one billion?

What a terrifying handwriting is this?

It's so inhumane!

And this time!

Cuiping was sloppy and said:

"I am not qualified now, doesn't it mean I won't be qualified in the future. When Shao Wang, you have a firm foothold in the Lin family, I guess Jinding will have to ask you to go through this VIP channel."

All Shen The family members also nodded their heads unanimously, and they all agreed,

"If it weren't for Mingzhe, we're afraid we wouldn't be qualified to step into this place in this life!"

"Jinding has personally invited Shao Wang to participate in the exhibition. They don't dare to say half a word when they walk through the VIP channel, right?"

At this moment, Cuiping looked at Bai Yi unkindly and sneered:

"Bai Yi, don't you please thank Shao Wang? Identity, I didn't have the right to step into this kind of place in my life!"

Hear the words!

Wang Mingzhe realized that he had a chance, and immediately said to Bai Yi with a smile:

"Which one do you like, I will give it to you?"

Wow!

Upon hearing this, the entire Shen family was completely boiling!
