

Chapter: 1276

just!

But no one took Bai Yi's words to heart, but found it ridiculous.

Someone else?

Who else on the scene is qualified to make a toast to the four masters?

Bai Yi's words are so ridiculous!

But at this time, Wang Mingzhe was also angry and sneered:

"Miss Bai Yi, don't you really think that they are here to toast your waste Lai Gong?"

"If you really think so, then I can't No doubt, you have a problem with your head!" Is n't it as good as a waste?

Your son-in-law?

What a joke!

But right now!

An emcee stepped onto the stage and announced to everyone:

" Everyone , tonight, the Golden Summit will sell two top jewels that have been collected for many years!"

"The Scarlet Queen" and "The Eye of the Sun God" "I believe you are no strangers to these two rare treasures!"

Boom!

As soon as this remark came out, the audience was completely in an uproar!

Faces were shocked and unbelievable at this moment!

They are more than familiar, they are almost familiar.

Those are the top rubies and topazes in the world, and they are the jewellery necklaces and bracelets made by more than one hundred leading jewellers around the world, which took up to three years.

It has been kept in the golden dome, no one bid to buy it.

Because the price of these two jewels is too terrible!

Scarlet Queen, worth 4.6 billion!

The Eye of the Sun God, worth 5.7 billion!

And today!

Jinding actually intends to sell it?

Are they dreaming?

Who has such a big hand, bought tens of billions of jewellery all at once?

Everyone was completely shocked!

Especially the Shen family!

When they heard that someone had bought these tens of billions of jewels, they were all frightened.

Ten billion!

Their Shen family has worked hard for a hundred years, and they don't know if they can make so much money.

But the rich man directly spent tens of billions of dollars and bought two jewels that he didn't want to use?

This is crazy!

Even Wang Mingzhe couldn't help being frightened at this moment.

Even with the wealthy existence of the Lin family, they are reluctant to spend 10 billion to buy a pile of stones. Is that behind-the-scenes buyer crazy?

Have money and nowhere to spend?

However, one more scene is only about to happen now!

I saw that the emcee changed the conversation and said:

"And after buying these two jewels, the buyer also specifically asked us to give these two jewels to the most distinguished guest of Jinding tonight.

" That's... Mr. Lin!"

Give it to Mr. Lin!

When the emcee's words sounded, the entire Golden Summit Convention and Exhibition Center fell into a dead silence in an instant.

A strong shock appeared on everyone's face!

Everyone's eyes widened, and they could hardly believe their ears.

Especially the Shen family!

At this time, they all felt short of breath, and then cast shocked glances at Wang Mingzhe.

"Oh my God! Wang Shao, who is such a big deal to come up with 10 billion to please you?" "Wang Shao is worthy of being a dragon and phoenix among the people. First, four great masters came to toast, and now some people are throwing tens of billions to fight you. Joy."

"Wang Shao, you are so amazing! Every big guy here tonight is lucky enough to be in favor of you."

Everyone's expressions were full of shock, with an extremely enviable expression. Looked at Wang Mingzhe.

And this time!

Wang Mingzhe also felt like this was the case, and his whole body suddenly felt airy.

But extremely loaded to force said:

"This is a low-key no big deal, after I successfully entered the Lin family, etc., to curry favor with the people I will be more!!"

Then!

Wang Mingzhe tidied up his clothes and walked slowly toward the stage under the awe of everyone's eyes.

at the same time!

On the exhibition stand, the curtain slowly fell!

An old man appeared inside, holding a gold plate in his hand, lying on it quietly with the two valuable treasures!

The old man's face was filled with a warm smile.

There is even more expectation in his eyes!

just!

When he saw that the person who came to fetch things turned out to be Wang Mingzhe, his smile suddenly stiffened:

"It's you?"
