

# Chapter: 1293

boom!

The moment they heard this, the Baishan couple suddenly trembled, their faces completely pale, and they almost fainted on the spot.

“I...we don't even know you, why are you doing this?”

A drop of cold sweat gradually wetted the backs of Shen Yumei and Bai Shan, causing them to cry.

This was the first time they met Zhang Lei, but it was the first time that Zhang Lei wanted to kill them?

Hear the words!

Zhang Lei's face, suddenly emerge deep hatred, angrily said:

“You do not know me, I know you you, is that bastard's father-in-law Lin Fan it!?”

“That dog thing, San Francisco four This is a good thing for me, I can't wait to break his body into pieces!”

If it weren't for Lin Fan, he would have killed the bitch Zhang Yichen, and he would naturally become the head of the Zhang family!

But because of Lin Fan's appearance, he lost his face and suffered humiliation!

He hated Lin Fan already!

Now!

The corner of Zhang Lei's mouth raised a smirk, and said viciously,

“So if you met me today, you can only be considered unlucky! If you are to blame, you will find a good son-in-law!”

He didn't expect to come to Universal by himself. With a bank loan, it so happened that I met Lin Fan's family.

Then!

Just send Lin Fan a meeting gift!

what!

Lin Fan?

Shen Yumei and his wife were dumbfounded on the spot!

There was a deep shock in his eyes, and he couldn't believe his ears.

This... how is this possible?

Lin Fan, just a waste-to-door son-in-law, how can he be qualified to offend a young man like Zhang Lei?

And this time!

Wan Jinrong and Li Xiangru were overjoyed when they heard that Zhang Lei and Shen Yumei had an enmity.

This is simply God's help!

Now, with Zhang Lei supporting them, do they still need to be afraid of Li Huaiaren?

Now!

Their faces are full of disdain!

Especially Li Xiangru!

With a proud face , he yelled : “Li Huaiaren, I think it's not us that is the damn thing, but you, right?”

“You dare to save the person Zhang Shao wants to deal with? I really do n't know whether to live or die . Now I kneel down and ask for sin.

Maybe there is still a way to survive! “On the side, Shen Jian and Cui ping were both happy and crazy. They never dreamed that Lin Fan would want to die in such a way and dare to offend Zhang Lei and other rich and young men.

It even hurts my own family members, and we are unlucky together!

Great!

In this way, Shen Yumei and Bai Shan would be out of luck without them.

Immediately, they were gloating and laughing, looking forward to the scene of their howling in pain.

at this time!

Almost everyone believed that Li Huaiaren would definitely bow his head.

After all, the Li family and the Zhang family are incomparable. If Li Huaiaren insists on offending, it will be a dead end.

Even the Xiao family can't keep them!

just!

The Xiao family can't keep it, but it doesn't mean that Lin Fan can't keep it either.

Therefore, Li Huaiaren's face was not panicked at all, but with a thick ridicule:

“Zhang Lei, don't blame me for not reminding you. If you dare to move this couple today, there will be no Zhang family in this world tomorrow!”

What!

When everyone heard this, their whole body trembled fiercely, and at this moment their eyes seemed to fall off.

After moving this couple, the Zhang family will disappear completely tomorrow?

At this moment, they widened their eyes and looked at Li Huaiaren with a look of seeing a ghost, and they couldn't believe their ears.

Given the Zhang family's ability, there are still people in Jiangshi that he dare not move?

how can that be!

“Hahaha!”

However, Zhang Lei laughed disdainfully:

“Really? Then I, I want to try it!”

As a young Zhang family, he still can't touch that waste family?

He doesn't believe this is evil!

“Li Huaiaren, do you want to stop me?”

Zhang Lei smiled contemptuously, staring at Li Huaiaren with scorching eyes:

“You...you are not qualified!”

Just!

The moment this voice fell, another extremely cold voice sounded from the door:

“He is not qualified, then am I enough?”
