

Chapter: 1302

Zhang Lei was the one who cursed!

He didn't expect Lin Fan to be so bold. He just broke the good deeds of their Zhang family today, and he even had a face to appear in front of them.

At this time, after hearing this insult, everyone in the Zhang family and the guests present also cast their eyes on Lin Fan.

"That rubbish, isn't Bai Yi's husband? Why did you get along with Zhang Yichen?"

"This kind of man is really disgusting, relying on his wife to dominate, and dare to stir flowers and grass outside. Bai Yi is really blind. Fancy such a rubbish!"

"Hehe, if Bai Yi knows that her husband is eating her soft meal and is still hooking up with a woman outside, I am afraid that the good days of this rubbish are over!"

"Without his wife, this Waste is nothing!"

Everyone recognized Lin Fan, and immediately there was a deep contempt on his face.

At this time, Zhang Yichen couldn't help but tremble when he heard Zhang Lei's cursing.

The bitterness on his face became stronger and stronger, and when I was almost aggrieved, I cried.

"It's okay!"

Lin Fan patted her on the back, smiling and comforting.

then!

He was facing everyone, and a touch of arrogance suddenly appeared in his eyes:

"Junior Lin Fan, come to congratulate the old lady Zhang!"

"At the same time, in the face of Ariel, give you Zhang family a good fortune!"

What!

As soon as this remark came out, the audience was completely blown up!

This waste, to give the Zhang family a good fortune?

Did they hear me right?

That's it, even the living expenses depend on the waste of his wife's charity, so dare you to be so utterly slanderous on the birthday of Mrs. Zhang?

This... is clearly beating the old lady Zhang in the face!

court death!

As soon as Zhang Jia and others heard this, they were completely angry, and there was a deep hatred in their eyes.

This damn trash has ruined their big business, and now they dare to come and say cold words in front of them?

I really thought that my wife was the Jiangnan Communist, so their Zhang family couldn't help him?

Right now, all of them thought that Lin Fan had come to find fault on purpose!

The old lady Zhang, Zhang Lei and others had their eyes cracked, as if they were about to eat people:

"Lin Fan, how dare you show up in front of us? Then you don't leave today!"

"Dog stuff! Both! It was you that caused our Zhang Family's 100 billion loans to go to the ground and was blacklisted by major banks. Today, even Bai Yi can't save you!" The entire hotel lobby is completely chaotic!

A vicious insult, one after another resounded!

Everyone can't wait to break Lin Fan's body into pieces!

At this time, Zhang Lei was also extremely jealous when his enemies met, and there was a strong malice in his eyes:

"Grandma, did you see it? I said Zhang Yichen is a shameless bitch zi, not to mention that he has a husband. I even dared to bring her concubine to this provocation. This is simply hitting our face!"

"Zhang Lei, you have a bloodless mouth!"

Zhang Yichen suddenly roared angrily:

"I... Brother Lin and I, yes. Innocent!"

However, Zhang Yichen's words became less emboldened as she spoke, because she was indeed plotting against Lin Fan.

"Grandma, believe me, Brother Lin can really help our Zhang family!"

In addition to looking for Lin Zuo, the Zhang family left the capital and came to Jiangshi with great fanfare. In fact, there is another big reason...

that is, a complete defeat in a struggle for power!

Therefore, a larger backing must be found to save the current Zhang family.

And Lin Fan is the best choice!

After all, he is the king of blood hell!

just!

"Enough!" The old lady Zhang shouted with a gloomy face:

"Don't call me grandma, you slut is not qualified to call me grandma!"

"Take your waste, get out of here!"
