Heartache can't breathe!

She wanted to save the Zhang family, but she fell in the eyes of the Zhang family, but she was just a shameless slut!

"Let them go? Wouldn't it be too cheap for them?"

Zhang Lei said with a grin, with a hint of hatred in his eyes:

"This waste caused our Zhang family to lose hundreds of billions of loans. How can we let him go so easily? "In my opinion, just abolish him directly here!" The words came out!

The faces of everyone in the Zhang family also showed a strong and cruel color, and they stared at Lin Fan maliciously!

When Zhang Yichen heard this, he knelt on the ground with a puff of fright, and cried out:

"Grandma, no! You can't hurt him!"

What kind of status is Lin Fan, and if Zhang Family offends him, it will be complete. That's it!

Zhang Lei suddenly snorted and sneered:

"Up until now, all you have in mind is your concubine, and you ignore the loss of the family. What qualifications do you have to be the head of the Zhang family!"

All Zhang family members are full of faces. An angry face, he also thought that Zhang Yichen was protecting Lin Fan at this time.

"Zhang Lei is right, this woman is not qualified to be the head of our Zhang family! Let her go!"

"The head of the Zhang family, it's okay to be a junior, and it's disgusting to give a waste home son-in-law to be a junior!"

"A bitch with a dog, forever! Let them get out, don't lose the face of our Zhang family here!"

All the Zhang family members murmured at each other!

Insult loudly!

Old lady Zhang's expression was also gloomy in an instant:

"Zhang Yichen, you have been driven out of the house by our Zhang family, and you are not qualified to stay here."

"And this kid must die too!"

As soon as the voice fell, Zhang Lei laughed wildly, with a hideous look on his face:

"Why are you still stunned, let this guy who ruined our family bankruptcy be broken into pieces!"

Wow!

Immediately, the strong men of the Zhang family stepped forward one after another, with a strong killing intent on their faces.

There was a sudden shout outside.

This voice was like thunderous ears, which completely shocked the entire Zhang family!

"Dr. Mike, that's the famous international genius doctor?"

"The subordinates of Lin genius doctor come to congratulate Zhang family for their birthday. Zhang Jia's so great face!"

"Does this mean genius doctor Lin? If it is Lin really. According to the genius doctor, the Zhang family will fly into the sky after that!"

The guests present were completely stunned.
