Dududu...

Then, the blood master didn't say a word, and hung up the phone.

Hahaha!

Immediately, Zhang Lei smiled wildly:

"It's over! Lin Fan, you are completely finished!"

"Did you hear? The Blood Lord has been completely angry because of your stupidity! If I were you, I just quickly find a tomb first, so as not to end up with a dead place without a burial."

Zhang Wenxiang also coldly snorted, taunting:

"Trash, if you kneel down, you still have a chance to live, but now it's useless for you to regret it!"

But at this moment, Zhang Yichen wanted to give the Labrang family one last, and shouted:

"Grandma, Lin Fan really didn't lie. These gifts were really given to him by others! You just believe it. Let me go back, otherwise Zhang Family, it's really over!"

"Zhang Yichen, do you dare to talk nonsense? You don't even know what a terrifying existence, Lord Blood Lord, is he going to befriend this kind of trash? Give him back. My favorite antique is simply a idiot!" The old lady Zhang couldn't get in, and couldn't listen to persuasion at all.

However, there is more to it!

Zhang Wenxiang continued to dial Ye Shihao's number:

"Patriarch Ye, the bronze tree of your collection was stolen. That is the rubbish Lin Fan. Now that guy is detained by us in the Kai Yue Hotel. Come on!"
