Lin Fan only said to Perkins:

“You come to deal with the aftermath!” He took Zhang Yichen and left the venue without looking back.

But at this time Zhang Yichen has lost her mind, where can he manage so much?

“Don’t you think I am worthy of you?”

Zhang Yichen asked nervously, but then he seemed to have thought of something, with blushing cheeks clenched at the corners of his clothes:

“I have nothing to thank you for, except for my body! ”

If you don’t dislike it, we can open a room. Even if I have been with you in my life, I will recognize it!”
