

# Chapter: 1334

Quiet!

The whole audience was silent!

In everyone's eyes, it was incredible!

Lin Fan had said the same thing a few minutes ago, but they just treated it as a joke.

But a few minutes later, Ye Shihao actually repeated it again!

He also feels that just a small son-in-law can bring down a super giant that has stood for four hundred years?

Not to mention, there is blood hell behind the Xiao family!

crazy!

Ye Shihao is absolutely crazy!

He was like an idiot like Lin Fan, saying such inexperienced words.

Hahaha!

Immediately, Xiao Tingjun laughed wildly, as if he had heard a big joke:

“Ye Shihao, do you have fun in your head? You actually think that an ant can bring down an elephant?”

“My Xiao family has gone through four hundred years. What big storms and waves have not been seen in the year? We will be afraid of a little waste son-in-law? It's really a laugh!”

Xiao Youwei also coldly snorted, and said with extreme disdain:

“Bai Yi is over, the four of you have become bereaved dogs, I I advise you not to be nosy!”

“Otherwise, I assure you that you will have no return on your trip to the north of the Yangtze River !” There is a strong murderous intent in the words!

And the contempt from above!

See it!

Ye Shihao and the others smiled, and stopped speaking.

Why bother with a dying person?

just!

Their silence at this time, in the eyes of everyone, was afraid of the Xiao family!

Therefore, Bai Yan smiled triumphantly:

“Lin Fan, this is the backer you found? I don't think it's so good! To the death you rely on your wife, being a man to make you like this, it's not as good as one. The dog, haha!”

But Lin Fan did not refute, but said in a flat tone:

“I don't have time to pay attention to your trash, kneel down! Live!”

“Otherwise, the Xiao family will be destroyed today!”

Just!

When everyone heard this, they all sneered with extreme disdain, and the eyes looking at Lin Fan were full of deep contempt.

Even now, still dare to be tough?

I really don't shed tears without seeing the coffin!

Does this idiot know that he is afraid if he has to kill the Xiao family?

Destroy the Xiao family?

Even if Bai Yi came, he didn't dare to say this. Why is this waste?

In their opinion, Lin Fan's words were extremely funny.

And hear this!

Xiao Tingjun also stared at Lin Fan unkindly:

“Okay, I want to see how your rubbish can destroy my Xiao family!”

“I will give you a chance now. Now I will kneel and kowtow to admit my mistakes. I will give you a chance. Happy to you! Otherwise, I will let you die!” It looks like Lin Fan is already his pallet fish.

Ok?

Between Lin Fan's eyebrows, a stern look suddenly appeared:

“It doesn't take an hour to eradicate you, one minute... that's enough!”

What!

Everyone was shocked again!

In one minute, destroy a 400-year-old immortal giant?

Does this idiot know what he is talking about?

Over the years, countless overlord-level figures have wanted to replace the Xiao family, but they all fell at the feet of the Xiao family without exception!

But the door-to-door son-in-law in front of him said that one minute is enough to make this immortal giant disappear forever!

What a joke!

Now!

Xiao Youwei was also completely irritated by Lin Fan's arrogant words.

An old face suddenly became full of fierceness, gritted his teeth and said:

“Ting Jun, don't kill him! Cut off his limbs and raise them like livestock. My Xiao family will torture him forever!”

Hearing this Then, everyone looked at Lin Fan with pity!

Must pretend?

Now it's good, there is no way to die if you think about it!

When Bai Yan saw this, her heart was full of joy. She seemed to have seen Lin Fan's appearance that life is not as good as death in the second half of his life.

And just when everyone laughed and ridiculed, Lin Fan directly took out his mobile phone and dialed a mysterious number:

“Within a minute, I want the Xiao family to go bankrupt!”
