Lin Fan's words are full of murderous intent!

Obviously, the rage was at its extreme!

just!

It is a big joke to everyone!

Everyone sneered, staring at Lin Fan playfully, not believing that this waste could really bring down the huge Xiao family in just one minute.

Even if the forces of the entire Jiangbei can't add up, Lin Fan wants to bring down the Xiao family on his own, it's just whimsical!

"I'm so scared!"

Xiao Tingjun said with an exaggerated expression, and then stared at Lin Fan full of hatred:

"After a minute, if there is nothing wrong with my Xiao family, I will accept your fate.!"

"now, start the countdown!"

Upon hearing this, all will find it very interesting, while schadenfreude watching Lin Fan, while the countdown to follow up:

"59,58,57 ..."

only!

At this time, everyone was horrified to discover that even the four great masters such as Ye Shihao were also following the countdown!

There was a mocking smile on their faces, and they seemed to be expecting something.

"Hahaha, Lin Fan, you idiot, even your patron knows that you will not be able to survive, and is mourning the countdown for you!"

"Idiot, the Xiao family has been in China for four hundred years. He was the one who defeated him when he wanted to. Is he dead!"

"The countdown to life is really interesting! I just don't know if this waste can continue to be arrogant in a minute!"

Everyone present started talking, and there was a lot of ecstasy on their faces.

It seemed that Lin Fan was cruelly tortured by the Xiao family.

at the same time!

When Bai Yan knew Lin Fan's life, after only a short minute, a deep ecstasy appeared on his face:

"Lin Fan, don't worry! It won't be long before Bai Yi is a bitch. I'll meet you on Huangquan Road!"

"3, 2, 1... time is up!" After Xiao Tingjun counted down the last number, there was a strong expression of pleasure on his face, as if he had defeated the cock. Like, he looked at Lin Fan condescendingly:

"Lin Fan, the time is up, you can go to death!"

"Hands, first break his limbs, remove his chin, don't let him commit suicide! I will torture slowly! Him!"

Boom!

For a moment!

All the strong Xiao family members approached Lin Fan unkindly.

Prepare to completely abolish Lin Fan!

But right now!

Jingle Bell!

A rush of cell phone ringing sounded instantly!

Extremely harsh!

Like the sound of life-death, madness resounded one after another from the pockets of everyone in the Xiao family!

what!

Seeing this, everyone's smiles are completely frozen!

A person's cell phone rang, they could understand, but now it is the upper level of the entire Xiao family, and the cell phone rang at the same time.

What exactly is going on?

Now!

They have a bad feeling in their hearts!

Even Xiao Tingjun and his son couldn't help but their expressions changed wildly, and a touch of horror suddenly appeared in their eyes.

They took out their mobile phones, but they didn't have the courage to connect them for a long time. Drops of cold sweat continued to flow down their foreheads!

Jingle bell...

Jingle bell...

That sound, one after another!

Extremely anxious and harsh!

It seems to declare that something terrible is happening!

At this time, all the Xiao family seemed to feel that this was not a mobile phone at all, but a hot potato!

The current atmosphere is extremely weird.

All the Xiaos were dumbfounded, looking at the mobile phone in their hands, but they looked like sculptures. No one had the courage to connect first.

Let the frantic voice tear their eardrums frantically!

at last!

Xiao Youwei gritted his teeth and plucked up the courage to press the hands-free!

follow closely!

There was a stern wailing on the other end:

"Chairman, our Xiao family... is over!!!"
