

# Chapter: 1336

boom!

When the words fell, the audience fell into a strange silence.

The noise of everyone came to an abrupt end!

Whether it was the Xiao family father and son, or the guests present, they all shocked after hearing this.

At this time, they couldn't believe their ears!

I heard it wrong, I must have heard it wrong!

Xiao family, it's over?

After Lin Fan called, someone reported to the Patriarch of the Xiao family, saying that the Xiao family was completely finished?

Senseless!

They just feel that their worldview is completely split!

The Xiao family is really going to end?

This waste really only took one minute, and a single phone call completely collapsed this immortal giant that had stood firm for hundreds of years?

This moment!

Everyone qiqi gave Lin Fan shocked and panicked gazes, and they were almost scared to pee on the spot.

“Impossible! This is impossible!” At the moment, Xiao Youwei is going crazy, his eyes are suddenly thick and fierce, his entire face is full of hideousness and anger:

“My Xiao family has been in China for four hundred years, who Can you bring us down? You dare to talk nonsense, you were fired!”

He didn't believe anyone could destroy their Xiao family!

I even don't believe that their Xiao family will be destroyed in the hands of a waste son-in-law. This is simply impossible!

How powerful is their Xiao family, they have a solid foundation in Jiangbei, and they are well-deserved super overlords!

No one in this world can bring them down, no one!

just!

The secretary on the other end said with a sad face:

“Chairman, this is true! Just now, more than ten consortia around the world jointly launched a hostile takeover of all of our Xiao family's industries, and our stocks evaporated 10 billion in just one minute!”

“Moreover, it's still evaporating now! Now the shareholders are crazy, Chairman, you...what have you done?”

Pop!

As soon as he said this, Xiao Youwei's mobile phone fell directly from his hand to the ground, his face was full of consternation, completely dumbfounded.

Ten consortia, maliciously acquiring their industries together?

A phone call has such a terrifying appeal?

Hallucinations!

This must be an illusion!

At this moment, the atmosphere completely fell silent.

Everyone seemed to be holding their breath, and after hearing the secretary's report, they were completely dumbfounded.

Ten seconds!

Thirty seconds!

One minute!

Time passed quickly without knowing it, but everyone present was dumbfounded and motionless.

There was a deep fear in their eyes, as if they had expected something terrible to happen.

However, there is more to it!

Seeing Xiao Youwei answering the phone, those senior Xiao family members who realized something was wrong also pressed the hands-free at this moment.

follow closely!

That desperate scene happened!

“Mr. Xiao, the bank requires us to repay all loans within three days, otherwise we will go to the court to sue us!”

“Manager, more than 20 properties under our name have been sealed up, and the police have collected all our criminal evidence. The upper level has been taken away!”

“President, all our customers, just called, unilaterally uncooperated with us, we are over!” Mobile phone \ terminal One second to remember “” for you \ provide you with wonderful novel \ read one phone call, was answered through!

But it was...bad news! Bad news! It's all bad news!

Puff!

The Xiao family members were sitting on the ground one after another at this time!

My whole body was shaking crazily!

They couldn't believe what they heard at this time!

The Xiao family was siege and suppressed, and it was in danger!

however!

The next report drove everyone into a madness like a switch!

“Chairman, the blood prison has issued the latest order, and we are officially kicked into the blood prison!”
