

Chapter: 1340

what!

When this horrible howl fell, Long 9 and Song Yuanzheng, and others, all looked startled.

They all wonder if they heard it wrong!

Zhao Chuan asked them to make way for the blood prison?

Is this crazy?

If the two military seats and the senior officials of Huaxia knew, they would definitely be charged with a crime of negligence!

At the moment, Long 9's expression became gloomy:

“Zhao Chuan, do you know what you are talking about? At the moment, the enemy is now, you actually messed up our military? What should you blame!”

Just!

At this time, Zhao Chuan was already crying, with tears of fear on his face, and roared tremblingly:

“Made, get out of the way! There is no time to explain! Taking advantage of the fact that things have not reached the point of irreversibility! ”

Otherwise, not only me, but even all of you will have to follow bad luck! We have already suffered a terrible disaster, and no one can save us if we don't redeem our sins at this time!”

Boom!

As soon as this remark came out, the audience was completely shocked!

Everyone felt a tingling scalp, and there was a deep horror and amazement in their eyes!

Will you be unlucky if you don't let go how can that be!

They now have two military seats, plus a Lin family to support them, who can move them?

What phone call did Zhao Chuan get, and he was so frightened!

When Long 9 saw Zhao Chuan, who had always been calm, with such a frightened expression, he suddenly had an ominous premonition.

Could it be that what happened again?

“Zhao Chuan, do you have a brain bubble? Do you know what the crime is when you run away?”

Song Yuanzheng said with a look of disdain:

“And now there are three giants supporting us, who do we need to be afraid of? If we are negligent at this time, then the three giants will not let us go!”

“You want to kill us!” Are we?”

Hear this!

Long 9 and the others suddenly sank, and then their expressions became gloomy for an instant.

If the blood prison were allowed to enter Jiang City, it would have offended the three giants at the same time, and then they would really be unlucky.

Right now, Long 9 didn't want to listen to Zhao Chuan's nonsense anymore, and angrily said:

“Come on! Drag Zhao Chuan down for me!”

Hear this!

Zhao Chuan was instantly cold, his face showed a horrified expression, and he kept shaking his head and muttered:

“It's over! We're completely over!”

“The three big bullshit, it's not like that at all!”

Just!

But no one paid attention to him, everyone was staring at the bloody mad god!

then!

Song Yuanzheng stepped forward, staring coldly at the blood prison mad god:

“Since you are looking for death in the blood prison, today, Jiangshi will become your burial place!”

“Kill them!”

Just!

Just now!

A shocking scene happened suddenly!

A helicopter drove over slowly from that distance, and the helicopters in the Blood Hell obediently let out a path wherever they passed.

follow closely!

Under the doubtful eyes of everyone, a figure walked down from the plane!

At the moment that man appeared, Song Yuanzheng was obviously startled, and then a fierce smile appeared on his face.

Soon, he pointed to Lin Fan and said to Long 9 and the others:

” Everyone , this rubbish is what I said Lin Fan!”

What!

Upon hearing this, the eyes of Long 9 and the others were filled with anger and resentment.

original!

This is the waste that caused them Jiangnan and Jiangbei to fall into chaos!

When they thought of such a trash, the entire Huaxia was in chaos, and their hearts were eager to smash Lin Fan into pieces!

Now!

Song Yuanzheng mocked Lin Fan and said:

“Trash! You dare to appear in front of me, I have to say, you really do not live or die!”

However!

Lin Fan didn't want to talk nonsense with it, and said in a low voice,

“Get out of the way!”

Huh?

Upon hearing this, Song Yuanzheng suddenly became furious, a waste-to-nothing, come-to-door son-in-law, dare to order him as the commander-in-chief?

“Dog stuff, rely on you! You deserve to let me go? I think you haven't figured out the situation at all!”

Song Yuanzheng coldly snorted, looking at Lin Fan with sarcasm:

“Don't think about saving your wife, tonight She is destined to be someone's plaything, and you...also destined to die!”

Song Yuanzheng's face was full of disdain.

Ask him to leave as soon as he appears?

Do you think this waste is the king of blood hell?

It is ridiculous that a dying person dared to be arrogant in front of him!

But Lin Fan turned a blind eye to the other party's humiliation, and his face was still indifferent:

“Since you don't want to let go, then you... just go and die!”

Boom!

A majestic killing intent burst out of Lin Fan's body in an instant!

at this time!

He is like a demon king from hell who wants to slaughter all living things, terrifying!

Click!

Under his feet, the oil road was crushed by his violent aura, bursting open like a spider's silk!

See it!

Long 9's old body trembled frantically, looking at Lin Fan in disbelief!

In my heart, there was already a stormy sea!

impossible! This is impossible!

Such a terrifying murderous aura is as if a million people have been slaughtered!

At this time, he actually had an illusion, that is: Even if there are thousands of troops, he is not defeated by Lin Fan alone!

Such a monster, is it waste?

And Zhao Chuan was equally shocking!

At this time, he had already understood Lin Fan's identity, so when he saw Lin Fan appear, his whole body trembled uncontrollably.

He couldn't even stand still, his eyes fixed on Lin Fan, his face was extremely bitter!

That man finally came!

His back was completely wet with cold sweat at this moment!

Too late!

It's too late!

However, just when everyone ridiculed Lin Fan for not weighing himself.

The shocking scene of horror suddenly caught everyone's eyes.

Wow!

After seeing the appearance of Lin Fan, including the blood prison mad god, the eyes of all the blood prison powerhouses were reverent, like a god!

After that, they all knelt down towards Lin Fan.

Respectfully, yelled in unison:

“Welcome to the King of Blood Prison!”
