what!

As soon as this statement came out, everyone's expressions changed wildly!

Lin... Lin Zuo?

Their eyes seemed to burst out, this guy turned out to be that mysterious forest seat? ./x81zw)/x81zw/.

And Zhao Chuan finally understood why the King of Blood Prison and Lin Zuo arrived here at the same time, because they are the same person.

"No... it's impossible!"

Song Yuanzheng showed a hell of a ghost expression, as if he was going to be completely scared to pee at this time.

"This must be a mistake. He is obviously only in his twenties. How can he have two such terrifying identities at the same time?"

Not only him, everyone present felt incredible!

Overseas, there is a terrorist warfare!

In the country, it has absolute ruling power!

What a horror to exist like this!

The Lin Family wanted to completely wipe out these existences. This was utterly stupid and stupid!

At first, they thought Lin Fan was crazy!

But now it seems that the Lin family is the most stupid idiot!

But then, the words of the mad god of blood hell made them completely desperate.

"A group of idiots, our king has multiple identities. In addition to being the dark emperor and Lin Zuo, he is also a Middle Eastern oil tycoon! He is also the boss behind the world's top consortium Global Group!"

Boom!

When these words fell, Song Yuanzheng and the others were completely frightened and bewildered by the Dark Emperor!

Lin Zuo!

The boss of Universal Group!

The identities were so terrifying that everyone in the room felt like they were dreaming and couldn't believe their ears.

Every time these identities are thrown out, it is enough to shock the whole world!

However, it is concentrated on one person!

How good is this man!

However, at this moment!

A group of dark shadows quickly swept from all places, like ghosts, quietly appearing in the field!

Everyone is wearing a black robe, with a trace of gloomy breath permeating his body!

"The ghost of the dark night is the Northern Guanjun! The Nihuang Army Seat is here!" At this time, seeing these people, Song Yuanzheng finally saw a glimmer of hope.

The Lin Zuo is gone, but at least there are Lin Family and Nihuang Jun Zuo to support them!

Two to two, they still don't have to be afraid of Lin Fan!

When Song Yuanzheng saw this, he was almost crying, as if grabbing a life-saving straw, and screamed frantically:

"Dark night ghosts, stop them! You can't let them step into the river city for half a step!"

"Wait for the Lin family's large troops. After rushing to Jiangshi, I will catch all these miscellaneous pieces in one swoop!" The voice fell!

Those dark shadows all walked towards Lin Fan.

just!

When everyone thought that the dark night ghost was about to stop Lin Fan, they were shocked to see that all the dark night ghosts knelt towards Lin Fan!

"Lin Zuo, I will come to Jiangshi to help you when ordered by the Nihuang Army Zuo!"

Boom!

This sentence is like a bursting roar, blasting wildly in everyone's mind! Desperate, completely desperate!

At the moment when they heard this, Long Jiu, Song Yuanzheng and others trembled wildly!

At this time, all were sitting on the ground in horror!

The Nihuang Army Seat came to Jiang City not to kill Lin Fan, but to help Lin Fan?

This cruel fact is like a heavy hammer, violently hitting everyone's hearts, making them all worse than dead!

Just at this time, the side of the blood prison mad god, is grinning and said:

"Yes, forgot to tell you, and you care deeply about looking forward to the rainbow Phoenix military base, and we loved life and death of the king but pay!"

Life and death Zhi cross?

Upon hearing this, a deep bitterness appeared on everyone's faces.

All at once!

The Big Three?

That's a big joke!

They originally thought that the two armies came to Jiang City to snipe the King of the Blood Prison.

But in the end, Lin Zuo is Lin Fan, and Nihuang Jun Zuo is still Lin Fan's friend. Their most proud backing... is gone!

Puff!

At this moment, Song Yuanzheng had realized that the overall situation had been set, and was paralyzed on the ground.

A face that was as gray as death, a self-deprecating sneer appeared.

Provoked the wrong person!

Now, it's not just him!

Even the Lin Family is not far from extinction! Mobile:

Because of them, a demon was offended!
