what!

Hearing this, the eyes of Bai Yi's family were full of disbelief.

The Lin Family, want to kill Lin Fan?

why?

Are they not a family?

“Lin Fan, why is this? Why did your family want to kill you?”

Bai Yi was completely desperate at this time. She did so much, even at

the expense of herself, not just to protect Lin Fan?

But in the end, it was nothing!

She can't save Lin Fan!

At this time, no one can save Lin Fan!

Because he wanted to kill Lin Fan, but the Lin family was dignified!

She couldn't understand why the Lin family wanted to put Lin Fan to

death because they were clearly in the family!

at this time!

Bai Shan and Shen Yumei were also completely frightened.

The Lin family, China's strongest giant, can be regarded as a real

existence with hands and eyes, and since these existences want to kill

Lin Fan?

In this case, who can save Lin Fan?

The Baiyi family felt that Lin Fan at this time was already doomed.

This time White Iraq, have been petrified stand up, his hands clinging

to Lin Fan collar, broke down in tears crying:

“! You should not have come, you should not come ah”

And in at this time!

Zhao Zekun stared at Bai Yi with a wicked look:

“Bai Yi, don't say I don't give you a chance, as long as you are willing to

abandon this waste now and become my lover, I can consider sparing

your family's life!” I had to say, Bai Yi is really beautiful, which makes

him tempted by countless young women.

So now, he not only wants to kill Lin Fan, but also to snatch his wife

before he kills him!

Then, in front of Lin Fan, he played with his wife and made Lin Fan

die with hatred!

End of humiliation!

This is the real thing, making Lin Fan uncomfortable to die!

just!

Bai Yi stared at Lin Zekun angrily:

“You dream! I'm Bai Yi, born as Lin Fan's person, and death is Lin

Fan's ghost!”

“Today, it's a big deal for me to die with him!”

Huh?

Heard this!

Lin Zekun wiped a strong hostility between his eyebrows, and stared at

Bai Yi murderously:

“What a shameless bitch, right? Then I'll let you die!”

“Come on! Strip this woman naked for me, and then take turns one by

one! I will play her alive!”

Boom!

These words are extremely perverted!

The expressions of everyone present changed wildly!

And this time!

The faces of Xiao family father and son Bai Yan, Wang Mingzhe and

others were full of ecstasy, and it seemed that Bai Yi's fate could

already be expected.

Especially Wang Mingzhe, who was already grinningly laughing at this

time, volunteered:

“I am the first one!”

This woman, dare to look down on him again and again?

For a while, he must torture this woman severely!

Da Da Da...

immediately!

Each of the Lin family's strong men slowly pressed towards Lin Fan

with a grinning smile.

See it!

Bai Yi's face turned pale suddenly, if it hadn't been for Lin Fan's

support, she would have been limp to the ground.

In the next moment, her face was full of determination, and she looked

at Lin Fan bitterly:

“My wife, even if I die, I will never betray you, we... see you in the

next life!”

Finished!

She was going to bite her tongue to commit suicide, and would rather

die than let these beasts defile her.

what!

Lin Fan's eyes were suddenly filled with cold light, and immediately

buckled Bai Yi's chin, preventing her from moving.

He said in a deep voice:

“Wife, trust me!”

Believe you?

When this sentence sounded, the voices of everyone in the audience

suddenly fell silent.

Everyone immediately looked at Lin Fan with sarcasm, as if they were

watching a joke.

You rubbish, now you can hardly protect yourself, still dare to pretend

to be forced?

It's ridiculous!

They even admired Lin Fan's innocence, and even had that slim hope

when he died.

Now!

Everyone at the scene cast scorn and contempt at Lin Fan one after

another.

On the side, Lin Zekun's expression was instantly gloomy:

“Do it!”

Since Lin Fan still has illusions, he will completely break this illusion!

Swish!

Countless Lin family powerhouses came out violently, with a wicked

look on their faces, greedily grabbing Bai Yi.

They can't wait to enjoy this stunning beauty.

but!

Just now!

boom!

The two blood shadows, with majestic murderous intent, shot out from

outside the door, and slammed toward those Lin family experts!

Puff puff!

Those Lin family experts burst open on the spot and flew out, instantly

as if they were hit by a car, turning into a puddle of mud, and they died

tragically on the spot!

what!

This sudden scene made the expressions of all the gloaters suddenly

stiff.

In the next instant, they all looked at the two blood shadows together!

“Dragon Tiger God of War!” For an instant, everyone froze. It seemed

that Lin Fan had brought two war gods. (72wx).

Even Lin Zekun at this time was completely stunned!

Unbelievable shock suddenly appeared in his eyes!

In the next instant, his face became extremely ugly, because he knew

that the Dragon and Tiger God of War was here, which meant that the

Blood Prison Mad God had decided to tear his face with them, the Lin

Family!

And just now!

Lin Fan helped Bai Yi and stood up slowly, with deep and cold eyes,

staring at Lin Zekun:

“You scared my woman!”
