Then why, they don't know?

Now!

Everyone immediately looked around in horror, trying to find the location of the two horrors.

Senseless!

Lin Zekun was completely stunned!

The news he received, Lin Zuo and Nihuang Army Zuo, will be sniping the King of Blood Prison at Jiangshi Pass. How could he appear here?

At this time, the king of the north suddenly appeared in the heart, an ominous premonition!

He suddenly recalled the ridicule of Dragon Tiger and God of War just now!

Could it be that the King of the Blood Prison is really here?

For an instant, the atmosphere in the audience seemed to be frozen, and everyone stared at the Nihuang Army Seat with shocked eyes!

Mobile:

And just now!

The Nihuang Army Seat took a step forward and walked towards Lin Fan, and then stroked Lin Fan's cheek with his extremely doting hand:

"Xiao Fan , it's been a long time!" Lin Fan's face suddenly showed embarrassment. He was stiff, and then spit out two words that shocked the audience:

"Auntie!"

Boom!

At this moment, everyone seemed to be strangling their throats, completely suffocated!

Lin Fan, actually called Auntie Nihuangjunzuo?

Bai Yan and the Xiao family's father and son suddenly became weak in their legs, completely insane!

impossible!

This is impossible!

In their hearts, it was at this moment that stormy waves were set off!

Almost fainted!

Why does this waste know the Ni Phoenix Army Seat?

Moreover, she has a great relationship with her!

With just this heavy identity, they won't be able to provoke them for eight lifetimes!

Auntie!

These two words crushed the luck of all of them and made them completely desperate!

Because they know that with the Nihuang Army seat here today, no one can move Lin Fan!

"Why, why is it like this?"

Bai Yan's pretty face was already pale. This trash has been relying on women all her life, but the women she relied on were more terrifying than the other?

Even the Xiao family father and son were completely paralyzed by fright!

Before, Lin Fan said to let them understand what true despair is, but they sneered at it, but now...

they have indeed experienced it deeply!

"Impossible! It's impossible! Lin Fan, what did you do?"
