

Chapter: 1353

Ok?

These words immediately made the King of the North's face sink, and then turned his head to look at Lin Fan:

“Junior, don't know the sky and the earth, you need to know how to be forgiving and forgiving. Kill him. You and your family will spend the rest of your life. Will face the mad revenge of the Lin family!”

Hearing this!

The three war gods also looked at Lin Fan with contempt.

Thought it would be great to have the Nihuang Army seat backing up?

Can you guarantee that the Nihuang Army will be by your side 24

hours a day?

That's stupid!

just!

When Lin Fan heard this, a deep disdain appeared on his face:

“Now, it is not the Lin family who refuses to let me go, but I refuse to let the Lin family go!”

What!

As soon as this remark came out, the King of the North and the others jumped into thunder.

A rubbish abandoned by the family, can't you say that you can't let the Lin family go?

This is too funny, right?

However, at this moment!

All the powerhouses in the blood prison blocked the way of the king of the north, and their faces were full of murderous intent.

Upon seeing this, the face of the Northern Realm King was completely gloomy:

“Nihuang Army Seat, are you sure you want to tear your face with the Lin family?”

Unexpectedly!

Hearing this, Nihuang smiled gloomily, and said in a shocking voice :

“Don't worry, I won't make a move!”

Lin Fan is present, why should she stop Lin Zekun?

However, there is more to it!

At this moment, Lin Fan said angrily:

“No one is allowed to take action, I want to... commit suicide for him!!!”

Boom!

Lin Fan's seemingly ignorant words completely detonated the audience at this moment!

Lin Fan, this trash, actually said he wanted to kill Lin Zekun?

Moreover, is it only by one's own power?

Damn it!

This is so crazy!

That was Lin Zekun, the third youngest of the Lin family, and now there are the King of the North and the Three Great War Gods sitting next to him.

If these big guys don't take action, what can they do with just such a waste of Lin Fan?

Wow!

crazy!

In everyone's eyes, Lin Fan is crazy!

For an instant, Bai Yan and others, who had been immersed in despair, seemed to see a glimmer of hope!

His face was filled with contempt and ridicule towards Lin Fan one after another!

It was as if in their eyes, Lin Fan was already dead!

just!

Lin Fan didn't care about their ridicule at all, and directly stepped forward and walked towards Lin Zekun.

The Blood Prison Mad God and the others also retreated quite obediently, seemingly intending to let Lin Fan solve it himself.

This scene made Bai Yan and the others ecstatic to the extreme!

Especially Wang Mingzhe!

Because he saw that Lin Fan had already walked out of his safe distance. At this time, once the King of the North and others took action, even the Ni Phoenix Army Seat would not have time to save Lin Fan.

This idiot is dead!

Wang Mingzhe's body trembled with excitement suddenly, as long as Lin Fan died, no one would be able to win them today.

“Hahaha, Lin Fan, you idiot, you could have lived by the strength of the Ni Phoenix Army Seat, but you just wanted to die!” “You trash, no one is supporting you, what are you doing? Something? It's stupid to dare to say that you want to kill the Third Young Master of the Lin Family!”

“I am so ridiculous that I want to kill Young Master Lin? He thinks that with his own power, he can defeat the Three Great War Gods and the King of the North at the same time. it? overconfident dog, you can die! ” ”

in my opinion, Ni Huang military base also can see this guy is too loaded to force, so he decided to stand by it? ”

Bai Xiao and his son, At this time, he also laughed wildly.

That harsh insult is extremely harsh!

At this time, they were all trembling with excitement, and it was already foreseeable that Lin Fan would end!

Not just them!

Even the North Realm King and the Three Great War Gods suddenly sank after hearing Lin Fan's jealous words.

Is this trash looking down on them?

Now!

Lin Zekun was also completely stunned, and a weird smile bloomed at the corner of his mouth.

Without the help of these big brothers, Lin Fan was a lamb waiting to be slaughtered in his eyes, and he would definitely die!

He suddenly screamed:

“Since they don't care about it, why use this waste to be scared? Kill him!”
