

# Chapter: 1356

And they know it better!

Nihuang Army and others, what are they laughing at now!

“Now, do you understand?” The Nihuang Army Seat looked at them coldly, and there was a thick forest in his eyes: “The waste in your mouth, the abandoned young man who was expelled by the family, is now the famous forest seat of China!”

Boom!

These words made Lin Zekun completely desperate. He looked at Lin Fan dumbfounded, only feeling that every inch of his body was extremely cold.

His last reliance turned out to be Lin Fan?

Is there anything more desperate in this world?

Not just them!

Bai Yan and others were also completely scared!

Lin Fan, is Lin Zuo?

They only felt that their worldview completely collapsed at this moment.

Lin Fan, the door-to-door son-in-law who was regarded as a joke by the Bai family, who was swept out by the Lin family four years ago, turned out to be the legendary Lin Zuo?

And they, extremely unfortunately completely offended them!

At this time they finally understood why Lin Fan could play them like monkeys again and again. The genius remembered in one second: Just one sentence would completely collapse the entire Xiao family!

Lin Zuo, there is indeed such an ability!

Snapped!

At this time, Xiao Youwei slapped himself severely, tears in tears, and grief:

“Idiot! Idiot!”

Offended Lin Zuo, leading to bankruptcy. What is this not an idiot?

“Dad, I don’t want to die! I don’t want to die!”

Xiao Tingjun suddenly burst into tears, and finally got scared.

In the past, he dared to ignore Lin Fan because he felt that this rubbish could not help him, but now...

Lin Fan is Lin Zuo, and this existence pinched him to death, just like pinching an ant to death, effortlessly!

Not only them, Bai Yan also shed tears of despair at this time.

She knew very well that Lin Fan had already let her go once, and there would never be a second time!

original!

She stayed abroad for nothing, but couldn’t swallow that breath, so she ungratefully sought revenge on Bai Yi and Lin Fan. (72wx).

Even more vicious, wanting to smash their family into pieces!

Now she is completely finished!

There was chaos in the audience!

At this moment, everyone couldn’t believe their eyes!

A waste that is least optimistic, but has become the most terrifying existence in the field...

what a special thing, it is incredible!

Even the King of the North couldn’t help showing a deep wry smile:

“It turns out that this is what they said, can I not offend an existence?”

He, really can’t afford to offend!

However, there is more to it!

Looking at the people who are already six gods and no masters, like Bai Yan who has fallen into hell, the corners of his mouth are curled up with a gloomy arc.

“I am Lin Zuo, but I am more than Lin Zuo!”

“I am the boss of Universal Group !” Universal Group?

Wow!

The impact of this sentence is simply fatal to everyone present!

They just feel that their nerves are about to be confused.

Lin Fan is not only Lin Zuo, but also the top ten global behind-the-scenes boss of the top 100 global companies?

But it’s more than that!

The arc of Lin Fan’s grinning smile rose more and more, and then threw a terrorist bomb that detonated the audience:

“I am the king of the blood hell!”

“The Huaxia Lin Zuo is me, the global boss is me, the king of the blood hell...

.It’s me too!” Puff!

At the moment these words fell, Xiao Youwei, who was already distraught, fell to the ground, his expression still full of fear!

But people have died!

It turned out to be frightened to death!

As for Lin Zekun and others, their brains are also blank at this time!

China Forest Block!

Universal boss!

The King of Blood Prison!

It turned out to be the same person?

God, really made a big joke with them!

At this time, they were completely paralyzed by the shock in front of them.

Even if the world were to die at this moment, they wouldn’t have any reaction, all of them showed silly smiles.

Like a madman!

“Hahaha, the sky will kill me Lin Zekun, the sky will kill me Lin Zekun !” Lin Zekun laughed loudly, but howling like a mournful!
