She forced herself to cheer up, and squeezed out a reluctant smile:

“No, I will solve it. I have a college classmate who is a gold medal barrister. We can go to him for help.”

I was really dizzy, thinking that Lin Fan could help her.

Hearing this, Lin Fan could only smile bitterly, knowing that Bai Yi still didn't believe him.

after that!

Lin Fan accompanied Bai Yi to the door of an office building. At this time, Bai Yi had wrapped himself up like rice dumplings, for fear of being recognized by others.

In her life, she has never been as humiliated as she is today!

“You wait for me here, I'll get down in a while!”

Bai Yi confessed to Lin Fan, and then walked into the building.

As soon as she left, Lin Fan's face was instantly icy and murderous, and then he dialed a phone call:

“The first round of the contest has already begun, it's a beautiful job!”

“Wang, please don't worry, I am already comprehensive. Layout! This time, they must return without success!”

...

and this time!

Bai Yi also came to an office door, took a deep breath, then pushed the door and walked in.

Sitting there was a gentleman with gold glasses glasses. After seeing Bai Yi, his eyes suddenly brightened:

“The white school flower is here!”

Then, he walked up quickly!

A touch of licentiousness appeared in his eyes involuntarily, and he looked at Bai Yi extremely vulgarly.

When he was in college, he had fantasies about Bai Yi. He didn't expect that after he came out of society, Bai Yi would be even more charming and charming.

Make him want to play with it fiercely!

Bai Yi smiled bitterly:

“Song Yue, I also told you on the phone, do you think there is a way to solve it?”

“This...a bit difficult!”

Song Yuetun looked embarrassed. But I was thinking about how to get Bai Yi into bed.

“It would be great if you came to me earlier. Just an hour ago, someone had come to me to fight this lawsuit, and you should also know that the other party is Wang's family in Beijing!”

Boom!

Upon hearing this, Bai Yi suddenly turned pale!

Wang family, have you taken the first step?

And she knew very well that Song Yue's lawyers were well-known in Jiangshi, and there was no lawsuit they could not win.

If Song Yue really fought this lawsuit for the Wang family, then she would be completely over!

Now!

Bai Yi cried and pleaded:

“Song Yue, for the sake of classmates, can you help me? I was wronged!”

“Impossible!”

Song Yue interrupted, Yizheng Rhetorically:

“The Wang family is a wealthy family in the capital. It has a very high reputation in China. They need to embarrass a small person like you? You are nonsense!” Bai Yi was completely stunned!

She did not expect that her old classmate would rather believe in an outsider than in her.

Seeing Bai Yi's look of despair, Song Yue knew that the fish had been hooked, so he pretended to be deep and said:

“Of course, it's not impossible to ask me to help you, but there is a condition!”

“What condition?”

Bai Yi was overjoyed and looked at Song Yue excitedly.

She knew very well that Song Yue was her only life-saving straw.

just!

Next, Song Yue smiled unkindly:

“Bai Yi, you also know that I was interesting to you when I was in college. Although I am married, I have been thinking of you for so many years.

” Well, as long as you stay with me all night, I promise to help you fight this lawsuit! ”

What!

Bai Yi looked at Song Yue in disbelief, and couldn't believe that her old classmate was taking advantage of the fire to rob!

Even more, too much to ask her to sleep with her?

What do you think of her?

“You, you are shameless!”

Bai Yi trembled with anger. She believed that Song Yue came to him. She never thought that Song Yue was a scumbag.

Ok?

Being so insulted, Song Yue was also furious and coldly scolded:

“Bai Yi, you better not shameless! Now in the whole Jiang City, no one except me dares to take your lawsuit!”

“If you don't want to bankrupt your family, plus jail, then I advise you better attitude “!

said, his face will emerge a touch of deep contempt:

“! now, only I can save you you should carefully think about it, how ”

However, , Right now!

An extremely cold voice suddenly came from the door:

“Not very good!”
