Ok?

Upon hearing this, the two looked towards the door together, and they saw Lin Fan push the door and enter!

“Lin Fan, why are you here? Am I not letting you wait for me below?”

Lin Fan?

Now!

Song Yue’s face was filled with contempt:

“So this is your trash son-in-law?”

“Bai Yi, your vision is really not so bad. The sweeping uncles of our company are dressed better than him. !” The dignified college flower actually fell in love with such a thing!

Really mean enough!

“Enough! What are you talking about with my husband?”

Bai Yi gritted his teeth with hatred and insulted her. What qualifications does he have to insult Lin Fan.

He knows what Lin Fan did for her?

What did you do for her family?

Song Yue didn’t know anything!

“Lin Fan, let’s go!”

Bai Yi’s face was pale, and he took Lin Fan’s hand and left.

Humph!

Upon seeing this, Song Yue suddenly snorted and scolded:

“Bai Yi, if you cross this threshold, I will send a message now so that the whole Jiangnan will not be allowed to take your case! Otherwise, I will be the enemy of Song Yue. !”

What!

Bai Yi suddenly turned her head in despair, staring at Song Yue and said,

“Song Yue, you are shameless!”

Her old classmate used such a despicable way to force her into submission?

And this time!

Lin Fan couldn’t help but raised the corner of his mouth and sneered:

“He was right, we can’t go yet!”

Hearing this!

Bai Yi and Song Yue were dumbfounded on the spot, both looking at Lin Fan with incredible eyes.

Now!

Song Yue laughed loudly, thinking that Lin Fan was going to sacrifice his wife to protect himself.

“A person who knows the current affairs is a handsome man, Bai Yi, or your husband will come!”

Song Yue smiled and looked at Lin Fan:

“Is Lin Fan? I admire you!”

“Next, you will persuade Bai well. Yeah, it’s no big deal to sleep with me. I just ask for a spring night, and your problems can be solved. Isn’t this a win-win situation? ”

Just!

Song Yue said admiration, but his eyes were full of contempt.

At the critical moment, he even took his wife out of the jack. This kind of man is a waste and deserves to be cuckold!

Hear the words!

The corner of Lin Fan’s mouth was icy cold upward!

boom!

The next moment, he directly fisted out and smashed Song Yue’s disgusting face severely.

Song Yue suddenly lay on his back, with a deep shock on his face!

As if I couldn’t believe it, Lin Fan dared to beat him!

But Lin Fan didn’t care at all, and said with a smile:

“Now, we can go!”

Ahhhhh...

Song Yue who heard this was maddening!

He covered his bleeding nose and stared at Lin Fan fiercely:

“You rubbish, how dare you hit me?”

“You’re done! I must have you sit through the prison! In the judicial circle, no one dares to offend me Song Yue, I am God!”

“Your wife won’t accompany me to bed today , I not only put you in jail, but also sentenced you to death!”

See it!

Bai Yi was also anxious, she knew that Song Yue did have this ability.

Lin Fan dared to beat him, it was really over, Song Yue, a despicable villain, would definitely not let Lin Fan go!

just!

But Lin Fan raised his hand at this moment and took out a recording pen:

“Unfortunately, your wishful thinking is wrong!”

What!

Seeing this, Bai Yi was completely stunned!

Even Song Yue’s expression couldn’t help being stiff.

Lin Fan brought a voice recorder with him!

Bai Yi suddenly sighed Lin Fan’s wit. With this recorder, Song Yue had to help them.

just!

Before Bai Yi could speak, Song Yue actually laughed out loud, with a deep sarcasm in his smile!

“Lin Fan, your pediatrics is left over from Lao Tzu’s play! Let me tell you, I have installed a jammer in my office a long time ago, and all audio and video equipment is invalid!”

He looked at Lin Fan. The look in his eyes is like looking at a clown jumping beam, full of strong contempt:

“Fight with me, you are still a little tender!”
