

Chapter: 1364

boom!

In an instant, Bai Yi's pretty face turned pale, and the hope that finally rose up was completely shattered at this moment.

Do...jammers?

Now!

A thick bitterness appeared on her face, and she couldn't help crying.

They underestimated Song Yue's cunning!

Is it true that God is going to kill them?

"Selling fake drugs, plus deliberately hurting others, wait for my lawyer's letter!"

Song Yue said viciously. He could already foresee the scene of Lin Fan's desperate and wailing in the courtroom.

However, Lin Fan still smiled indifferently:

"The opportunity has already been given to you, since you don't want to cherish it, then you will be buried with Wang's family!"

What!

Hearing this, Song Yue couldn't believe his ears.

Give him a chance?

To be buried with Wang's family?

This kid is crazy!

They are already dead, and this waste still dares to assume a posture of dominating everything?

It's a brain-dead!

Song Yue glanced at Lin Fan contemptuously, and a sneer appeared on that sinister face:

"Dog thing, who is it that I am seeing to die in three days!"

Lin Fan stopped talking nonsense, smiling and holding Bai Yi's hand:

"Wife , Let's go!"

And just after the two of Bai Yi left, Song Yue dialed a phone call, and his attitude suddenly changed 360 degrees, and said incomparably flattering:

"Wang old, as you might expect, it came to me for bitches! Rest assured, I've already made the ultimatum to the entire south, no one will help them to court, you just wait for my good news!"

The original Song Yue has been in collusion with the Wang family a long time ago, which means that regardless of whether Bai Yi accompanies him or not, he will eventually end up in jail!

Such behavior is despicable, shameless, and extremely sinister!

...

At this moment, Bai Yi, the Six Godless Master, walked out of the building under the lead of Lin Fan.

His face is already ashamed!

Because she knew that Song Yue was their only chance, and if Song Yue refused to help them, they would really be over.

Thinking of this, the painful and guilty tears flowed involuntarily.

"That's good, why are you crying?"

Lin Fan asked distressedly when she saw Bai Yi with tears on her face.

"Old...husband, I'm sorry! I couldn't keep the new Baishi, nor the prescription you gave me, I'm really useless!"

Bai Yi sobbed, feeling helpless and pitiful.

The prescription was so precious, but she couldn't keep it, she felt that she had let down Lin Fan.

"Don't say it so early!" But Lin Fan winked at her, showing a sly smile.

Ok?

Bai Yi was suddenly puzzled, and looked at Lin Fan puzzled.

But at this moment, Song Yue's voice suddenly came from her ear...

"In the judicial circle, no one dares to offend me Song Yue, I am the sky!"

Boom!

Bai Yi was completely dull, looking at the recorder in Lin Fan's hand in disbelief.

Is this the recording pen just now?

Have they recorded all their conversations?

"This... how is this possible! Song Yue clearly said that there is a jammer in his office, why are you..."

She couldn't believe her eyes, how did Lin Fan do it?

"My recorder is specially made. Ignore all jammers. Don't worry, my wife, he can't help us."

Lin Fan said with a smile.

And the voice just fell!

Bai Yi plunged into Lin Fan's arms and cried out loudly:

"Husband, thank you!" It

's Lin Fan!

Lin Fan helped her again!

Every time when she was helpless and desperate, Lin Fan would help her save the situation!

How can I live without this man?

Lin Fan lightly stroked her shoulder, and then a sharp expression was wiped across her eyes:

"I said, no one can bully my woman!" After a long while, Bai Yi wiped away his tears and asked Lin Fan:

"What do we do now?" It seems that Lin Fan has become the backbone!

"You are framed by the Bai family and your secretary, right?"

Lin Fan asked with a smile.

Hear the words!

Bai Yi nodded with a green face, and a sorrow involuntarily appeared in his eyes.

Lin Fan sneered:

"Then we will give them one last chance!"
