

# Chapter: 1367

The voice just fell!

Da Da Da...

there was a sound of footsteps.

Then Lin Fan and Bai Yi saw a man slowly walking out from behind the old man Bai.

There was a cold smile on that face, and his eyes were spiteful!

The breath of the whole person is extremely sinister and poisonous, like a poisonous snake.

At this time, it seemed as if they had a bloody and deep feud with Lin Fan, staring at them both firmly:

“Dog man and woman, long time no see!” At this moment, Bai Yi’s face suddenly faded!

“Bai Yifan!”

The man who was driven out of China by them, is back again?

There was a sudden ominous premonition in her heart. When Bai Yifan came back this time, he was afraid that the purpose and Bai Yan would look at him, and he would come to them for revenge.

And this time, would he also give a glance like Bai Yan, bringing a terrible crisis to their family?

Ok?

Lin Fan frowned. He was a little surprised to see Bai Yifan daring to come back. But soon, he sneered:

“You let your family go, but you are ungrateful. I shouldn’t care about your pleading and forgive me. Your dog’s life.”

Boom!

As soon as these words came out, Bai Yifan was completely mad, and the hatred in his heart emerged madly.

“Yes! Lin Fan, you shouldn’t let us leave alive at the beginning! You regret it’s too late!”

“I am coming back today to smash the corpses of you two men and women! Revenge for the humiliation. !”

Speaking of which!

Bai Yifan seemed to have thought of something, and his expression became more and more ferocious:

“Tell you, I have already contacted Yao Lao’s direct disciple. He will arrive in Jiang City in three days and openly point out that your vaccine is a fake medicine!”

“You are dead! Hahaha!”

Boom!

Upon hearing this, the audience lost their voices!

Everyone showed shocked expressions!

Medicine... Medicine is old?

Did they hear me right?

That is the sage of Huaxia medicine, the entire Huaxia medicine industry, no one knows it!

After 40 years of medical experience, he has overcome numerous medical difficulties, developed hundreds of life-saving remedies, and won the Huaxia Pharmaceutical Industry Lifetime Achievement Award.

And his disciples are all top-notch doctors, deans of major medical schools, and big names in the medical department!

In the entire Huaxia Pharmaceutical industry, Yao Lao is the authority!

If his disciple publicly pointed out that Xin Bai’s vaccine was fake, then Bai Yi’s Xin Bai’s would really never stand up.

“Hahaha! Okay! Yifan, I have you in Bai’s family, it’s like a tiger with more wings, this time this pair of dog men and women is completely over!”

“Three days later, Lin Fanbaiyi, ruined! Good! Great! This is! It is to offend our Bai family’s fate!”

All the Bai family members clapped their hands in applause, with deep resentment in their eyes, and they laughed gleefully.

It seemed that they could have predicted that Lin Fan and Bai Yi would end up tragically after the old disciple Yao issued a statement.

Not just them!

At this time, even Bai Yi’s face suddenly turned pale!

How... how could this happen!

Bai Yifan unexpectedly invited Yao Lao’s personal disciples, and planned to pour dirty water on them, so they were really incapable of getting back to the sky this time.

That desperate mood, at this moment, madness surged in her heart!

It made her panic to the extreme!

”

Broken fame ?” Lin Fan smiled and shook his head, and then his eyes suddenly burst into cold light, glaring at Bai Yifan and others:

“As you wish!”

“Three days later, at the press conference of the new Bai family, Bai’s family and Xin Bai, can only keep one!”

Boom!

Hearing this, the faces of all the Bai family members suddenly became ugly.

Even dare to threaten?

This chopstick, damn it!

But Lin Fan stopped paying attention to everyone in the Bai family, picked up Bai Yi and left directly outside the Bai family.

But at this time, for some reason, a feeling of anxiety suddenly appeared in the heart of the old man, and his face became gloomy to the extreme:

“Yifan, are you sure this time is foolproof?”

It seems!

Every time their Bai family thought they had a chance to win, Lin Fan could give them a heavy blow.

And every time, they took Lin Fan’s warning as a joke, and the result was misfortune, and he was afraid that it would be the same this time.

just!

Bai Yifan on the side was disdainful, and confidently said:

“Don’t worry, grandpa, I have arranged everything!”

“As long as the disciple of Yao Lao arrives, I guarantee that Lin Fan and Bai Yi will not die!”
