

Chapter: 1378

Heard this!

Li Xunran's face was suddenly hard to see the extreme.

Ever since she was young, she has not been as embarrassed as she is today!

Because she has been radiant since she was a child, she is welcomed by the stars like a moon, and she is a genius among geniuses.

Known as the heir of Yao Lao!

Gradually, she also felt that she was the hope of China Pharmaceuticals!

Until a genius doctor Lin was born, he shocked the entire China and took away the glory that originally belonged to her.

Therefore, she has always been unwilling and wanted to compete with the so-called genius doctor Lin.

Now, she has indeed gotten her wish and competed with God Doctor Lin, but in only half an hour, she was completely defeated!

Her pride was completely crushed by Lin Fan at this moment!

Soon, her expression changed from jealousy to bitterness.

Is this what Lin's doctor is capable of?

Sure enough, he was short-sighted!

Then, she snorted:

"Don't worry, since I lose, I will definitely fulfill my promise."

"Mr. Lin, I, Li Xunran, are willing to bow down!"

...

And this time!

Outside, the Bai family pressed against Bai Yi step by step and humiliated them!

especially!

After hearing Li Xunran's extremely angry roar, they laughed even more gleefully.

Lin Fan, let Li Xunran save a dead person?

Is he crazy?

"Hahaha, Lin Fan's trash is really delaying time!"

Bai Yifan looked like "I knew it", looking at Bai Yi's eyes as if he was looking at a laughing stock:

"It's a pity, he picked the wrong person, so he dared to make an axe in front of Miss Li? What an idiot!"

All reporters They also shook their heads, they really let Lin Fan be deceived.

Let Li Xunran treat a dead person?

Lin Fan can figure it out!

"Now Miss Li is also annoyed by you, then you new Bai family, it is useless to not die!"

"Bai Yi, now the truth is revealed, when Miss Li comes out, you will be completely finished!"

Bai Jiazhi People, ecstatic!

Even Song Yue and Zhang Miaohe couldn't help but breathe a sigh of relief. Although there was a small episode in the middle, fortunately, the ending did not change.

Lin Fan and Bai Yi will still be a dead person after all!

just!

At this moment, everyone saw that Li Xunran slowly walked in from outside the door.

Upon seeing this, Bai Yifan's face suddenly hide deep excitement of color, quickly asked:

"? Miss Lee, that the waste will not run it, right?"

Ran?

Everyone felt like this when they heard this.

The trash must have left his wife and ran away after knowing that it was seen through.

Elder Bai couldn't wait to ask:

"Miss Li, that waste must be lying? There is no such thing as a genius doctor, right?"

Huh!

In an instant, everyone Qi Qi cast a curious look at Li Xunran.

Very nervous, waiting for Li Xunran's reply!

just!

Then Li Xunran's words made everyone present completely crazy.

Li Xunran's face was gloomy, and under countless cameras, he slowly said:

"I, I lost!"

Ga!

The audience was suddenly dead!

The smiles on everyone's faces completely solidified.

Both the Bai family and the reporters present were all dumbfounded at this moment!

Lost... Lost?

Did they misheard this?

Li Xunran, unexpectedly gave up?

That means that the one behind is really the genius doctor Lin!

boom!

At this moment, everyone's brains were completely roared.

"No... it's impossible!"

At this moment, the old man only felt that his heart was about to pop out.

Could it be that their Bai family will make the same mistake again, right?

"Miss Li, did you just say that you won?"

He was seriously suspicious now, he had heard it wrong!

just!

Li Xunran's voice is still firm:

"I said, I lost!"
