what!

Zhang Miaoke's expression froze. Is there evidence of this waste?

impossible!

That day, she met with the Patriarch Wang in person, and only the two

of them knew about the conversation. How could Lin Fan know?

Bluff me?

Now!

She laughed loudly on her face, and said with a disdain:

“Really? Then you will show the evidence! I want to see, what can you

do to me!”

“Even you My wife is played by me between applause, what kind of

thing are you?” The words were full of disdain and ridicule.

It seemed that Lin Fan didn't feel that Lin Fan had such a skill at all.

Even the Bai family and Song Yue both sneered. Zhang Miaoke was

leaning against the Wang family. Can Lin Fan get evidence from the

Wang family with this rubbish?

Foolish dreams!

But at this time, Lin Fan took out his mobile phone, sneered in front

of them, and played a video on the mobile phone:

“Zhang Miaoke, are you familiar with the two people inside?”

A man and a woman, two voices suddenly Ringing!

“As long as you can plant Bai Yi and put her in jail, the one hundred

million will be charged to your account immediately! Think about it,

whether you want to betray the benefactor who sponsored your

university!” “People are not for their own sake, don't worry, don't

worry. For the sake of that one hundred million, I will definitely make

Bai Yi worry!”

Hearing that voice, Zhang Miaoke's smile solidified, and his face was

completely pale.

Lin Fan, there is a video of her talking with Patriarch Wang, which is

enough to prove her crime of framing!

She is going to jail!

Zhang Miaoke can no longer be arrogant.

I can't be proud of it anymore!

Immediately, she screamed and said in disbelief:

“Impossible! You...Where did you get this video for a trash?”

As everyone knows, the trash in her mouth is just her hands and eyes,

Quan The forest seat overwhelming the world.

Not to mention it is a video, even if it is directly killed by the head of

the Wang family, it is only a snap.

It's not just her!

Everyone in the Bai family and Song Yue also looked like they had seen

a ghost.

Can't believe my eyes!

This kind of waste, before they were ready to start with Bai Yi, they

had secretly filmed the video?

He, is it impossible to tell the prophet?

They are almost scared silly!

Everyone looked at Lin Fan's eyes again, and the taste completely

changed, as if they were looking at a monster.

At this time, Lin Fan sneered:

“You don't care where I got the video from, you only need to know...”

“You, it's dead!”

Boom!

Zhang Miaoke was immediately stunned!

With this video, she is indeed dead!

“Made, President Bai sponsored you to go to college, you actually

avenged your revenge, and you are not as good as a beast!”

“The Bai family is not a good thing, even your own blood relatives can

afford it. I will report this matter truthfully, and I will return President

Bai. Just to be fair!”

“Call the police! Call the police right away! Catch all the things that are

inferior to pigs and dogs!” The actions of the Bai family and Zhang

Miaoke directly aroused public outrage.

All the reporters directly picked up their cameras and snapped at the

Bai family and Zhang Miaoke.

“Don't shoot me, don't shoot!”

Zhang Miaoke was scared and cried. She didn't expect to be extremely

happy and sad. At this time, she was completely finished.

follow closely!

What she thought of, she hurriedly cried and hugged Song Yue's thigh,

and begged:

“Song Dazhuang, save me! Save me, help me get my phone back, or I'll

be dead!”

Now only Song Yue can be saved. Him.

but!

Song Yue kicked Zhang Miaoke away, and said with a cold face:

“Miss Zhang, I didn't expect you to be such a shameless person. I,

Song Yue, was almost blinded by you.”

“From now on, I won't To protect you again, you wait to go to jail!” In

a few words, he completely dismissed himself.

Shameless to the extreme!

“You!”

Zhang Miaoke suddenly felt cold all over, she already understood at

this time that Song Yue and Wang's family were planning to completely

abandon her useless chess piece!

That's it!

I'm completely finished!

This is not greedy enough to swallow the elephant, and it broke his

belly accidentally.

Now she has money and never spends her life.

Shouldn't be greedy!

Shouldn't believe these beasts!

Then, she cried and looked at Bai Yi:

“Sister, please go around me!”
