

Chapter: 1384

As soon as these words came out, everyone was completely stunned!

The speaker was despicable and shameless, and even asked Lin Fan's wife to accompany him to sleep, otherwise he would put Lin Fan to death.

And the speaker's voice was obviously Song Yue!

Song Yue's face turned pale like a frosted eggplant, and he roared in horror:

"Impossible! I have clearly installed a jammer in the office, how can you succeed in recording!"

Just!

Song Yue's words were only spoken, and he completely regretted it!

In his desperation, he actually said something that shouldn't be said!

This is not equivalent to admitting that Lin Fan and Bai Yi have been to their office and shamelessly asked Bai Yi to go to bed with him?

In this way, his current behaviors have turned into anger from not getting Bai Yi, and then hurt Bai Yi.

Especially, in the presence of such a multimedia player, he is now shooting himself in the foot with a rock.

"Lin Fan, you...you dare to pit me!"

Song Yue roared like thunder, wishing to smash Lin Fan's body into pieces.

Originally, he thought he had a chance to win and was in control of the overall situation, but now it seems that he has let Lin Fan completely play.

That's it!

Like Zhang Miao and others, he was completely finished!

Lin Fan hugged Bai Yi and said with a cold look:

"All of you, I have already given you a chance. Since you don't know good or bad and insist on marrying my couple, how can we spare you?"

Boom!

When everyone on the scene heard this, they all looked at Lin Fan in disbelief with a ghostly look.

The Bai family and the others burst into tears!

Lin Fan did give them a chance, but they only regarded it as a big joke!

I thought that Lin Fan was scaring them!

But he didn't know that this was the last chance Lin Fan gave them to regret.

Chance to survive!

Now, it's too late!

"Bai Yi, Bai Yi, save us! Give us another chance!" The old man Bai pleaded bitterly, hoping that Bai Yi could spare them this time as before.

Unfortunately!

Bai Yi heard this, but a sneer smile appeared on his face:

"It's you, will you give me another chance?"

Hear this!

There was a touch of ashamed on the faces of Mr. Bai and the others.

If they were them, they would definitely not give the Bai Yi couple a chance, they would definitely put them to death.

Only now, Bai Yi also understands this truth!

Then their nightmare, here comes!

And this time!

Lin Fan laughed:

"Don't worry, I won't kill your Bai family!"

What!

When the Bai family heard this, he was taken aback and couldn't believe his ears.

Lin Fan actually intends to let them go?

Are they dreaming?

just!

What Lin Fan said next made them completely desperate!

Seeing Lin Fan's face stern, he said coldly:

"You Bai family, do such things as pigs and dogs, if you kill me directly, wouldn't it be too cheap for you?"

"I want you Bai family to suffer for generations, life is better than death!"

Boom!

Everyone in the Bai family was completely pale.

They couldn't even dream that their Bai family would be frustrated one after another because of a little abandoned son-in-law, and even be destroyed because of him!

Lin Fan, destroy his Bai family!

And Long Jiu also stepped forward and scolded angrily:

"Come here, get this little secretary and Song Yue arrested for me! Transfer to the agency and tell them that they must handle it impartially and never let a bad guy go!" The last sentence Then, it can be said to be gnashing your teeth!

So Zhang Miao and Song Yue were completely ashamed!

They trembled violently and were terrified!

Originally, they all had a good future, but because of their greed, they eventually ruined their future and ruined their reputations.

One is greedy for money, one is lustful!

After all, self-defeating!

Seeing the coming sergeants, they completely gave up resistance and waited for the next prison disaster.
