

# Chapter: 1392

The atmosphere of the audience has completely solidified!

There was a deep anxiety and shock in their eyes!

It seemed that he had never expected that Lin Fan, who had always been submissive and teased like a pig and dog, would dare to beat them!

This is simply bold!

at this time!

Zhao Yanzhi's face also suddenly darkened, staring at Lin Fan firmly:

“Lin Fan, you better give me a reasonable explanation!”

“Explanation?”

Lin Fan smiled, and then the same outrageously with Zhao Yanzhi.

Looking at each other:

“Just relying on she is my woman, is this explanation enough?” The sound is like Hongzhong, shocking the spot!

The other party insulted his wife one after another, did he really treat him like the old waste?

He now has power all over the world!

Why endure?

Why endure?

Just these words made Zhao Yanzhi and others sneer!

The answer is, not enough!

If the Bai Yi in front of him is a woman from Lin Zuo, no one would dare to fart with this explanation.

But Lin Fan, what is he?

It's just a waste!

It's ridiculous to speak loudly!

In their opinion, Lin Fan's behavior was just looking for death.

With Zhu Yiqun's narrow-minded character that he must retaliate, he will never let Lin Fan go. Once he wakes up, Lin Fan will have to face his crazy revenge.

“Lin Fan, you used to be incompetent, but now you are not only incompetent, but also ignorant!”

Zhao Yanzhi smiled contemptuously, and shook his head constantly:

“If Bai Yi is a woman in the forest seat, you will be beaten by that person. Unfortunately, you are a trash. Now you can not only protect her, but also yourself...”

“You have to die too!”

Wen Yan!

The evil youngsters present also stared at Lin Fan with murderous eyes.

It's as if I can't wait to sack Lin Fan!

just!

The next words of Lin Fan made everyone present sluggish!

I saw that the corners of Lin Fan's mouth curled up with an ironic arc:

“How do you know that Bai Yi is not a woman in the forest seat?”

What!

Everyone suddenly changed their expressions!

Completely stunned!

I was stunned by Lin Fan's shamelessness!

This guy actually said openly that Bai Yi had an affair with Lin Zuo?

His own wife cuckold him, but Lin Fan can still deal with it calmly, and even show it off as a show off?

How shameless this kind of person is?

“Lin Fan, I really admire you, incompetent, ignorant, and shameless now.”

Zhao Yanzhi shook her head, and the smile on her lips became more and more contemptuous. She was very thankful that she didn't really marry Lin Fan such a rubbish, otherwise she would also be in the rest of life I don't know how miserable it will be.

“You are still complacent when you are wearing a green hat, hahaha, Lin Fan, you are really born to be a tortoise slave!”

But Wang Yun had a sullen expression and said angrily:

“What nonsense with this rubbish, dare to beat us. People, really when we are in the mud? Beat him! “It's not just them!”

Even Bai Yi was shocked.

She didn't know why Lin Fan wanted to pull herself up and fabricate such a lie.

For that poor self-esteem?

If so, then she would be too disappointed!

But Zhao Yanzhi waved his hand and sneered:

“Don't mess around, my wife is Lin Zuo's lover. What has happened to him? Maybe Lin Zuo will come out to support him!”

“Let's go! It's important!”

Upon hearing this, the contempt on the faces of those evil youngsters grew stronger.

Then, overnight Zhao Zhi Yun will look puzzled:

“? Wang Yun, you take us to the hospital doing this Fengqi”

Wang smiled and said:

“Come Fengqi hospital, of course, to live ah!”

What !

At the moment, Zhao Yanzhi's body shook suddenly, and then cast an incredible look at Wang Yun:

“You...are you serious?”

Huh?

Seeing this, the other evil youngsters all looked puzzled, and looked at Zhao Yanzhi together:

“Big sister, is there anything unusual in this Fengqi Courtyard?”

Zhao Yanzhi swallowed fiercely. Enduring the shock in my heart, he said:

“This Fengqi Academy is naturally unusual. In the past, it was hosted by our father's generation, as if we were not qualified to live in!”

“Because its owner is the commander-in-chief of Jiangnan !” , Long Jiu!”
