

Chapter: 1396

Finished!

Suddenly, Wang Yun, who felt ashamed, gave Lin Fan a resentful look and left first.

The other evil young men also sneered one after another, offending Zhu Yiqun and Wang Yun one after another. As soon as the banquet was over, Lin Feng was afraid that he would be immortal and disabled.

just!

Before leaving, Zhao Yanzhi glanced at Lin Fan with a complicated expression, always feeling that something was wrong.

“Lin Fan, shall we go? We will not attend the banquet of Lin Zuo.” At this moment, Bai Yi turned his head and pleaded with Lin Fan.

Lin Fan smiled slightly and said:

“What’s wrong? Don’t you still see Lin Zuo?”

“No, I am more worried about you than seeing Lin Zuo! They won’t let you go!”

Bai Yi said on his face. With deep worries, she could also see that those people were not good.

And because of her strong background, she really couldn’t bear to watch Lin Fan continue to suffer humiliation.

“It’s not that they didn’t let me go, but I didn’t let them go!”

Lin Fan sneered. No one can insult his wife and be safe.

Iraq may be white, but simply does not believe, but Lin Fan was in tears:

“Lin Fan, you do not talk nonsense, okay those that are capital to the large and small, how can you deal with alone, had they??”

“I’ll ask You, as long as you are alive, what is wrong with me?”

She does not ask for prosperity, but for the safety of the family.

Just seek peace with Lin Fan, grow old!

just!

Lin Fan held her hand tightly and said with a smile:

“Don’t worry, my wife, I’m not trying to do it! Tomorrow, I will make you the most distinguished woman in China!”

...

By the middle of the night, Wang Yun and others have already settled in!

However, it was arranged in the last room!

“This dragon millennium is really not interesting enough. He even arranged the worst room for us. Who do you look down on?”

Feng Shaoting, Zhu Yiqun and others were very dissatisfied.

As rich and young, this is the first time they have been insulted like this.

At this time, Wang Yun’s face was extremely gloomy, and he hummed angrily:

“This must be Lin Fan’s injury, which caused us to be angered, so Long Qianxi deliberately neglected us.” Upon hearing this, Zhu Yiqun with a pale face, under his eyes. A hint of hatred suddenly appeared:

“When we get acquainted with Lin Zuo, we must have Long Qianxi, and pay the price for today’s negligence!”

“And Lin Fan, if I don’t kill him, I won’t be called Zhu Yiqun!” Hearing this!

The evil young men present nodded one after another, already looking forward to getting acquainted with Lin Zuo, and then severely taught Long Qianxi and Lin Fan.

However, Zhao Yanzhi didn’t know why, with a worried look:

“I’ll take a breath!”

Unlike these idiots, she always felt that Long Qianxi’s performance was too abnormal.

Why did Lin Fan make trouble too, but Long Qianxi only cleaned them up, turning a blind eye to Lin Fan alone?

Does that waste know characters like Long Qianxi?

This uneasy feeling made her very uncomfortable and made her suffer from gains and losses, as if she had missed something.

Immediately, I wanted to breathe, and rest assured of this depressed mood!

At the same time!

The anxious Long Qianxi quietly came to the backyard and knelt directly behind Lin Fan.

“Lin Zuo, small...little guilty!”

His voice was shaking, obviously terrified.

But at this time, there was an extra slap print on his face. Needless to say, he knew that it was a reward from Long Jiu.

“Those who don’t know are not guilty, get up!”

Lin Fan slowly turned around to look at him.

“Thank you Lin Zuo for your kindness!”

Long Qianxi was overjoyed, stood up quickly, and said respectfully:

“Lin Zuo, those idiots dare to insult you, do you want me to solve them?” The words were full of words. Murderous!

but!

Lin Fan sneered and shook his head:

“No, when tomorrow arrives, they will not only regret it, but also despair!”
