boom!

Hearing this, everyone seemed to have been struck by lightning, all stunned and horrified!

Where does Lin Zuo live, and where does Lin Fan live?

Lin Fan, actually compare himself with Lin Zuo?

madman!

This guy is simply a lunatic!

He is very different from Lin Zuo, but he is bold enough to compare himself to Lin Zuo?

Is this guy crazy?

Everyone's eyes were filled with a deep horror, and they couldn't believe their ears.

Hahaha!

Hearing Lin Fan's death-seeking words, Zhu Yiqun laughed even louder, and his face was completely crazily twisted:

"Okay! Okay! Lin Fan, you dare to insult Lin Zuo, you are damned!"

"Today, you will undoubtedly die!" As he said, he and the other evil youngsters planned to take down Lin Fan together!

just!

"At the beginning of the banquet, I invite all the guests to enter the venue one after another. It is out of date!" There was a radio sound in their ears at this time, making them all startled.

Zhao Yanzhi suddenly frowned, and said:

"Business matters! After the banquet is over, you can clean up this waste whatever you want. Don't delay meeting Lin Zuo because of him!"

Hearing this!

Zhu Yiqun snorted extremely unwillingly, and looked at Lin Fan gloomily:

"Mongrel, you are lucky! After I have finished the banquet, I will ask you to settle the account!"

Then!

A group of people walked towards the main venue.

At this time, Zhao Yanzhi looked at Lin Fan playfully:

"Lin Fan, I hope that in a while, you can show me your trash, where is the confidence, dare to consider yourself upright!"

And Lin Fan also smiled Response:

"Don't worry, you will not be disappointed! On the contrary, you will despair!"

Chi!

However, to Lin Fan's extremely arrogant words, Zhao Yanzhi responded with a contemptuous sneer.

When they left, Bai Yi looked worried:

"Lin Fan, do you really deal with them? I, I'm really scared!"

Alas!

Lin Fan sighed, knowing she was worried about herself.

So, he stretched out his hand and stroked her cheek:

"Don't worry, when did I lie to you? I assure you, all of them will respect you like gods in a while!"

...

At this time!

The banquet hall is full of guests!

Anyone who can stand here is a famous figure in China!

Even Zhao Yanzhi and others have never seen such a magnificent scene. It can be said that Huaxia is more than the usual big figures with heads and faces, and they have all appeared here!

"Fuck! That's the old Dong of Xunteng Technology. My dad asked him to cooperate at the beginning!"

"The president of Liquid Petrochemical monopolizes half of China's natural gas business. My dad invited him to dinner, but he refused. up!

” ”

Oh my God! the man is Tianyu financial CEO, Song had led me into the financial sector and elegant! ”

Wang et al., marvel!

The identities of these people in front of them are no less than those of the great capitals of the capital!

Today, they are all gathered together just to get Lin Zuo's favor!

This is just like a dream!

And Zhao Yanzhi also said with a wry smile:

"Is this Lin Zuo's appeal? It's really not terrible!"

Such a terrifying appeal, I am afraid that the Tangtang Lin family can't match it?

At this moment, she happened to see Lin Fan and Bai Yi, holding hands and walking in.

This scene made her jealous!

After all, Lin Fan was her former fiance, even if she was abandoned by her, but now seeing Lin Fan with other women is still annoyed.

She is such a person, even if the discarded things are destroyed, they will never make others cheaper!

"Do you really dare to come?"

Wang Yun said with a grinning grin. I didn't expect Lin Fan to be so bold.

But Zhao Yanzhi smiled contemptuously, with a spiteful look in his eyes:

"Yes! It's time to die!"
